ACKNOWLEDGEMENT

I avail this opportunity to express my indebtedness and deepest sense of gratitude first towards my guide Dr. V. N. Ghormade, Principal, Gopaldas Advani Law College, Mumbai, who nurtured my ideas by his incisive thoughts and comprehensive outlook. I could approach the subject under his benign and inspiring stewardship. I feel humble before him for his most kind hearted and encouraging responses at every time. His perspicuous and thought provoking ideas proved as an impetus for me. Otherwise it would not have been seen the light of the day for a successful completion.

I am also thankful to Shri. N. D. Kalantri and Dr. Rajesh Singh, Head of the Department of Statistics, Amravati University, Amravati for timely help in preparing statistical table.

I placed on record my deep sense of gratitude to all Judges, Advocates, Social Activists and all others who have responded me in the field-work which was carried out by me in preparing some part of the thesis.

I am also thankful to my wife Mrs. Sharda for her co-operation, my son Pravin, my daughter in law Mrs. Sangita S. Malani and my son in law Ashish Chandak for the encouragement and patience.
