ACKNOWLEDGEMENT

I am deeply indebted to my guide Dr. C.D. Bhavsar for her inestimable guidance, constructive suggestions, and throughout motivational attitude. Her ability to probe beneath the text is true gift, and her insights have strengthened this study significantly.

I would like to express my gratitude to Prof. (Dr.) R.G. Bhatt, the Head of the Department of Statistics, Gujarat University, for her generosity, acute observation, keen interest and valuable hints.

I do acknowledge the extensive cooperation from Ahmedabad Education Society for being supportive throughout.

Dr. Mona Kelshikar, the principal of my college (H.L.C.C.) has supported me a lot. I would like to record my gratitude to the Statistics department, H.L.C.C. and other colleagues my college for their moral support. I would like to take an opportunity to thank them all.

My sincere thanks to Dr. N.D. Shah for his resourceful advices and kind help. Innovative suggestions from Dr. C.C. Gujarati have percutually empowered my work a lot. I also thank Mr. Ajay Shah – a perennial source of moral strength to me.

I am thankful to chief librarian of IIM and the librarian of Gujarat University Library who enriched my resources.

Individual and Collective acknowledgements are also owed to all my friends and well wishers whose direct or indirect presence have been with me throughout.

Nital, my wife, has a silent, prayerful presence in my life for many years now. Her inner sanctity and unbridled joy for life has meant more to me than she will ever know.

And,

Where would I be without that spiritual strength I have continuously recognized? Amen.
