First and foremost I thank my Almighty God, without his grace this work could have never been possible.

I acknowledge my heartfelt gratitude to my able and learned guide honorable prof. S.P. Bajpai, M.Sc. (Sagar), Ph. D. (Wales); Professor of Botany, Dr. Hari Singh Gaur Vishwanandgaya, Sagar. I am indeed, highly obliged to him for his proper direction throughout my study period. He inspired, encouraged, guided and helped me very affectionately. He helped me in solving various problems. Without his valuable suggestions and pain taking corrections my work could not have taken its present shape so soon. He spared his precious time for consultation whenever I needed. I express my deepest gratitude to him.

I am thankful to honorable Prof. T.R. Sahi, Head, Department of Botany, Dr. H.S. Gaur Vishwanandgaya, Sagar for all his help and cooperation. He provided me all facilities of Laboratory, Vehicle and Library, without which this piece of work could not have been completed.

I wish to express my cordial thanks to Dr. Rajesh Gopal, Director Project Tiger, Govt. of India, with a very schedule he gave his precious time for this work, accompanied by opportune suggestions.

I express my heartfelt gratitude to Dr. Raksha Shakla, forest range officer Research wing Kanha Tiger Reserve for his great help. Cooperation and words to advice.

I am extremely grateful to Shri H.S. Nag, Deputy Director of Kanha Tiger Reserve for solving uncountable problems.

I am deeply indebted to all the teachers of my departmental family for their suggestions and kind cooperation in all respect.

Thanks are due my esteemed senior and elders Dr. Pradeep Tawari, Dr. Santa Karan Chaturvedi, Dr. Amit Biswas and Rajendra Athiya. I can never in my life forget the help, inspiration, moral and material support provided by them.

I owe special thanks to Miss Archana Singh who have a constant source of inspiration for me.

My thanks and good wishes are reserved for all my class colleagues Mrs. Sindhu Faroshi, Mr. Shikhandra Rajput, Mrs. Neelam Dubey, Mr. Shushant Kateria, Mr. Man Singh Yadav for their emulous help all through my work.

I can't express in words the dedication and sacrifice of my beloved mother Mrs. Gajatri Tawari, Father Shri A.P. Tawari and my loving brother Mr. Charanendra Tawari (Puntn), I received full cooperation
and encouragement from them. I wish to recall and express my thanks to Miss. Archana Pandey, Miss. Shalakika Upadhyaya and Miss. Ratna Upadhyaya for their help and support.

From the depth of my heart, I am grateful to the family of Shri M.M.P. Rajoriya (Assistant Conservator of forest) for encouragement and moral boosting throughout the course of my work, and my especial thanks to Miss. Vandana Rajoriya, during the completion of work and preparation of the Ph.D. Thesis she gave me proper support.

I am indeed very thankful to the other members of Botany Department, Shri K.K. Dixit, Shri J.P. Chaudhary, Shri S.K. Soni for their help and cooperation during the period of this work.

I wish to recall and express my thanks to the class fourth workers of the department, especially Shri Ravishankar, Shri Aman, Param Lal, Shri Ratan Lal and all others who have helped me directly or indirectly during the course of this work.

I am highly thankful to SIT College of Computer Science for his excellent compilation of this work on its presentation in the present form.

But for the kind help cooperation of all the well-wishers during my pursuit of this arduous work could not have been completed.
