Acknowledgements

The journey of life halts for a moment when I think of the people who have lent their kind and encouraging support to me. Today, I stand at a juncture where I think of such people and all names spur back to my memory. My research work is on the edge of completion but it would not be accomplished until I acknowledge the contribution of others for this effort.

It is a matter of extreme delight for me to express my sincere, grateful, heartfelt indebtedness towards my reverend supervisor Prof. K.M. Vyas, Programme Co-ordinator, UGCSAP (DSA-II) and Director of Development, Dr. H.S. Gour University, Sagar (M.P.), who has been a pillar of strength and a guiding star paving my way to successful research work. I thank him from the bottom of my heart in my truest spirits and most humble words for providing necessary suggestions, spontaneous and invaluable parental guidance, incessant encouragement whenever and wherever required till the completion of my research work. This formal acknowledgement is an inadequate expression of my gratitude.

I am equally thankful to Dr. Deepak Vyas, Lecturer, Department of Botany, Dr. H.S. Gour University, Sagar (M.P.) for working as my co-supervisor and providing to me full help for this work. His ready guidance was always available to me. Without his precious help and invaluable suggestion this work never been completed.

I owe a particular debt of gratitude to Prof. A.D. Adoni, Head, Department of Botany, Dr. H.S. Gour University, Sagar (M.P.), for his constant encouragement and furnishing all the necessary facilities regarding my research work throughout the course of this study.

I am extremely grateful to Prof. T.R. Sahu, Prof. S.P. Bajpai, Prof. N.K. Soni, Prof. D.C. Atri, Prof. A.K. Kandy, Prof. P. Mehta, Dr. A.S. Mishra, Dr. S.K. Yadav, Dr. (Mrs.) J. Dubey, Dr. N.P. Bhalla, Dr. A.N. Rai, Dr. P.K. Khare, Dr. (Mrs.) A. Mehta of this department, for guiding me at my post-graduate level and valuable suggestions and critical advice during my research work.
I acknowledge my profound and sincere thanks to Retd. Prof. D.P. Tiwari, Department of Botany, Govt. Science College, Jabalpur and Dr. Susma Nema, Department of Plant Pathology, J.N.K.V.V., Jabalpur (M.P.) for providing valuable suggestions and meaningful advice.

I am thankful to Librarians and staff of Banaras Hindu University, Varanasi (U.P.) and of Dr. H.S. Gour University, Sagar (M.P.) for providing necessary facilities. I am also thankful to authors of various books and articles that I have consulted during this tenure of my research work.

I would be failing in my duties if I don't express my thanks to my seniors Dr. J.P. Chaurasia, Dr. Bhaskar Chaurasia, Mr. Himanshu Tripathi, my friends and Lab mates O.P. Dwivedi, Noopur Singh, Ashish Jain, Ashish Vyas, Anuradha Soni for their jovial environment, excellent co-operation and academic discussions.

I also express my thanks to Shri K.K. Dixit, Shri J.P. Choubey, Shri, S.K. Soni, Shri R.V. Singh and Shri S.K. Katare, who always provide me valuable assistance and co-operation in various ways.

I do not have words to express my deep sense of indebtedness for the love, care, support, sacrifice, strength and dedication that I received from my Parents. Their blessings are always standing by me.

Specially, I pay my sincere thanks to Mr. Nafis (Perfect Computer) for typing and providing this shape of manuscript within the stipulated period of time.
