ACKNOWLEDGEMENTS

I express my sincere gratitude to my supervisor Prof. Neeta Sehgal, Department of Zoology, University of Delhi, for her guidance and patience throughout the course of this investigation.

I thank Prof. S.V. Goswami, for his critical observations, constructive comments and valuable suggestions, which are the main leads to design and conduct experiments.

I express my thanks to Prof. Ashok Kumar Singh, Head, Department of Zoology, University of Delhi for providing necessary research facilities in the department.

I am grateful to Dr. Neerja Aggarwal for her efforts and timely help during compilation of this thesis.

A thanks is not enough to express, all kinds of help and support rendered by Dr. Varunendra Singh Rawat and Supriya from the beginning till the submission. All those tough and good times, which we shared, will be cherished throughout my life.

I wish to acknowledge my labmates specially Ambar, Preeti and Satyam for round the clock help and for creating lively atmosphere. My thanks are due to my friends Dr. Rajendra Phartyal, Dr. Om Prakash, Dr. Mahesh, Dr. Archana, Dr. Vandana, Sanyam, Aakash, Pranay, Indu and Sunil. It is also time to thank my friends Dr. Sachin, Dr. Beena, Dr. Sunil, Dr. Arpna, Dr. Anjali, Gouri, Nandini, Seema and Neha. I am also obliged to Sushma, Madhu, Amitabh and Mamta for their help during my work.

The help provided by Mr. Mohinder Singh and Mr. Tekchand is highly appreciated.

Financial assistance from the DST and UGC, is duly acknowledged.

The journey won’t get possible without my family support. I am fortunate to get all kind of support provided by my mother in law and father in law. My sister in law Garima deserves special appreciation as she did a lot for me.

Gaurav’s love, care and joyous attitude towards life always encourage me. He always supports me in any kind of situation. My loving daughter Diva, her smile and chirpy talks just removed out any kind of anxiety and always rejuvenate me.

My heartily gratitude, to my parents their devotion and all those discomfort faced by them during my upbringing. It’s my mother who, never give up and always encourage me for my study.

At last it’s only the grace of almighty, made my path smooth and I was just moving ahead in my life.
