DECLARATION

I hereby declare that the thesis entitled "Study on the production of antineoplastic secondary metabolites from selected medicinal plants using cell and tissue culture techniques (with special reference to Ophiorrhiza mungos and Holostemma ada-kodien)" is a bonafide record of research work done by me during the course of research and that the thesis has not previously formed the basis for the award to me of any other degree, fellowship or any other similar title, in any other university or society.
