LIST OF MAPS, TABLES, AND GRAPHS

CHAPTER 1

MAPS

1.1. Advance of Independence among African states
1.2. States of Modern Africa
1.3. Cash Crops Production in Africa
1.4. Minerals and mining in Africa

TABLES

1.1. Selected Economic Indicators for Africa 1988
1.2. Cash crop production in Africa in 1981
1.3. Population Growth in Africa and other selected regions: 1960-90
1.4. Components of population growth (birth and death rate) in Africa and other selected developing regions: 1965-90
1.5. Health and Nutrition in Africa and other selected regions: 1965-90
1.6. Education in Africa and other selected regions: 1965-90
1.7. Urbanization in Africa and other selected regions: 1965-90
1.8. Economically Active population in Africa and other selected regions: 1965-85
1.10. Sectorial origin of Gross Domestic Product in Africa and other developing regions: 1965-89
1.11. Percentage Share of Africa in the world exports and imports: 1960-89

GRAPHS

1.1. Production and consumption of crude petroleum in different developing region 1984
1.2. Africa’s petroleum products 1982
CHAPTER 2

TABLES

2.1 Total External Debt Relative to export of goods and services selected developing region:1980-90.

2.2 Ratio of external debt to GNP; selected developing regions 1980-90

2.3 Ratio of total Debt Service to Export; Selected Developing Regions 1980-90

2.4 Ratio of Reserves to External Debt - Selected Developing Regions:1980-90.

2.5 Ratio of Reserves to import of goods and services - selected developing region:1980-90.

2.7 Debt Structure According to Maturity in Africa and other selected developing regions;1980-90

2.8 Average terms of new commitments in Africa and other selected developing regions;1989-90

2.9 Total ODA net from DAC countries, Multilateral organizations and Arab countries to Africa;1984-90.

GRAPHs

2.1 Growth of Africa’s Total external Debt:1970-90

2.2 Growth of long term external debt in Africa and other selected regions:1970-90

2.3 Total External debt of African countries in 1980

2.4 Total External debt of African countries in 1990

2.5 Ratio of External Debt to export in African countries 1980

2.6 Ratio of External Debt to export in African countries 1990

2.7 Ratio of External Debt to GNP in African countries 1980

2.8 Ratio of external Debt to GNP in African countries 1990

2.9 Ratio of total Debt service to export in African countries 1980

2.10 Ratio of total Debt service to export in African countries 1990
| 2.11 | **International Reserves relative to external debt in African countries 1980** |
| 2.12 | **International Reserves relative to external debt in African countries 1990** |
| 2.13 | **International reserves relative to import 1980** |
| 2.14 | **International Reserves relative to import 1990** |
| 2.15 | **Structure of the African Debt in 1980 and 1989** |
| 2.16 | **Structure of African Debt according to creditors in 1980 and 1989.** |

**CHAPTER 3**

**TABLES**

| 3.1.1  | Sudan | Balance of payments 1980-89 |
| 3.1.2  | Sudan | Percentage of public expenditure to GDP, 1970-89 |
| 3.1.3  | Sudan | Growth rate of current expenditure and their proportion to total expenditure and GDP, 1972-89 |
| 3.1.4  | Sudan | Components of current expenditure:1980-1989 |
| 3.1.5  | Sudan | Tax Revenue as percentage of GDP;1972-1989 |
| 3.1.6  | Sudan | Components of Domestic Revenues:1980-1989 |
| 3.1.7  | Sudan | Domestic Revenue and its Growth Rate:1980-1989 |
| 3.1.8  | Sudan | Sectoral composition of National saving and investment;1977-1981 |
| 3.1.9  | Sudan | National saving and investment as percentage of GDP:1973-1982 |
| 3.1.10 | Sudan | External Debt Ratios:1980-1990 |
| 3.1.11A | Sudan | Economic Growth; fRates;1983-90 |
| 3.1.11B | Sudan | Growth of per capita GNP;1983-90 |
| 3.2.1  | Ghana | Percentage of public expenditure to national income;1970-1988 |
| 3.2.2  | Ghana | Growth rate of current expenditure and its proportion to total expenditure and GNP;1978-1988 |
3.2.3 Ghana Components of current expenditure; 1978-1988
3.2.4 Ghana Tax revenue as percentage of GNP; 1978-1988
3.2.5 Ghana Domestic revenue and its percentage in of current expenditure and GNP; 1972-88
3.2.6 Ghana Components of Domestic revenue; 1978-1988
3.2.7 Ghana Growth Rate of External and Internal Public Debt; 1969-1985
3.2.8 Ghana External Debt Ratios; 1974-1989
3.2.9 Ghana Economic Growth Rates; 1978-1989
3.3.1 Nigeria Percentage of Public Expenditure to GNP; 1970-1987.
3.3.2 Nigeria Growth Rate of current Expenditure and its Proportion to Total Expenditure and GNP; 1972-1987
3.3.3 Nigeria Components of current Expenditure; 1973-1987
3.3.4 Nigeria Tax revenue as percentage of GNP 1973-1987
3.3.5 Nigeria Domestic revenue as percentage of Current expenditure and GDP; 1973-1987.
3.3.6 Nigeria Components of Domestic revenue; 1973-1987
3.3.7 Nigeria Growth Rate of Internal Public Debt and its Proportion to GNP; 1970-1989.
3.3.8 Nigeria Growth Rate of External Public Debt; 1970-1986
3.3.9 Nigeria External Debt Ratios; 1980-1989
3.3.10 Nigeria Economic Growth rate; 1985-1989
3.3.11 Nigeria Growth of per capita income; 1985-89.
3.4.1 Tunisia Public Expenditure as percentage of GNP; 1972-1989
3.4.2 Tunisia Growth rate of current expenditure and its percentage to public expenditure and GNP; 1972-1989.
3.4.3 Tunisia Growth Rate of Domestic Revenue and its percentage to GNP; 1972-1989
3.4.4 Tunisia Components of current expenditure; 1979-1990
3.4.5 Tunisia Tax Revenues as percentage of National income; 1975-1990

(vi)
3.4.6 Tunisia Components of Domestic Revenues, 1980-1990
3.4.7 Tunisia Growth rate of external and internal debt, 1971-1990
3.4.8 Tunisia External Debt Ratios, 1980-1990
3.4.9 Tunisia Economic Growth Rate, 1984-1989
3.4.10 Tunisia Growth of per capita income, 1984-1989
3.5.1 Morocco Public expenditure as percentage of GNP, 1970-1990
3.5.2 Morocco Growth rate of current expenditure and its proportion to public expenditure and GNP, 1971-1990
3.5.3 Morocco Components of current expenditure, 1977-1990
3.5.4 Morocco Tax Revenue as percentage of GDP, 1971-1990
3.5.5 Morocco Growth rate of domestic revenue and its proportion to GDP, 1979-1990
3.5.6 Morocco Components of Domestic Revenues, 1980-1990
3.5.7 Morocco Growth rate of External and Internal debt, 1970-1990
3.5.8 Morocco External Debt Ratios, 1980-1990
3.5.9 Morocco Economic Growth Rate, 1982-1989
3.5.10 Morocco Growth of per capita income, 1982-1989

GRAPHS
3.1.1. Sudan Public Expenditure as percentage of GDP, 1972-1989
3.1.2. Sudan Current Expenditure as Percentage of GDP, 1972-1989
3.1.3. Sudan Tax revenue as percentage of GDP, 1972-1989
3.1.5. Sudan Economic Growth Rates, 1983-1990
3.2.2. Ghana Current Expenditure as Percentage of National Income, 1970-1989
3.2.3. Ghana Tax Revenue as percentage of GNP, 1978-1988
3.2.4 Ghana Growth of External and Internal Debt: 1972-1985
3.2.5 Ghana Economic Growth Rates: 1983-1990
3.3.1 Nigeria Oil Export as percentage of Total Exports: 1970-1990
3.3.2 Nigeria Public Expenditure as percentage of GDP: 1970-1987
3.3.3 Nigeria Current Expenditure as percentage of GNP: 1972-1987
3.3.4 Nigeria Tax Revenue as percentage of GNP: 1973-1987
3.3.5 Nigeria Growth of External and Internal Debt: 1970-1989
3.3.6 Nigeria Economic Growth Rates: 1985-89
3.4.1 Tunisia Public Expenditure as percentage of GNP: 1972-1989
3.4.2 Tunisia Current Expenditure as percentage of GNP: 1972-1989
3.4.3 Tunisia Tax Revenues as percentage of National Income: 1975-1989
3.4.4 Tunisia Growth of External and Internal Debt: 1971-1990
3.4.5 Tunisia Economic Growth Rates: 1984-1989
3.5.1 Morocco Public Expenditure as percentage of GNP: 1970-1990
3.5.2 Morocco Current Expenditure as percentage of GNP: 1971-1990
3.5.3 Morocco Tax Revenues as percentage of National Income: 1971-1990
3.5.4 Morocco Growth of External and Internal Debt: 1970-1990
3.5.5 Morocco Economic Growth Rates: 1982-1989

CHAPTER 4

TABLES

4.1 Time Series Data of Important Variables of Sudanese Economy: 1970-1989
4.2 Time Series Data of Important Variables of Ghanian Economy: 1970-1989
4.3 Time Series Data of Important Variables of Nigerian Economy: 1970-1989

4.4 Time Series Data of Important Variables of Tunisian Economy: 1970-89

4.5 Time Series Data of Important Variables of Moroccan Economy: 1979-1989

4.6 Regression Results of the Relationship Between Money Supply Per unit of output and consumer price index.

4.7 Regression Results of the Relationship Between money supply per unit of output and price change by using log value.

4.8 Regression Results of the Relationship Between Price change and money supply per unit of output by introducing one year time lag.

4.9 Regression Results of the Relationship Between high powered money and money supply per unit of output.

4.10 Regression Results of the Relationship Between high powered money and money supply by using log value.

4.11 Regression Results of the Relationship Between high powered money and money supply by taking into account one year time interval.

4.12 Regression Results of the Relationship Between deficit financing and money supply.

4.13 Regression Results of the Relationship Between deficit financing and supply of high powered money.

4.14 Regression Results of the Relationship Between deficit financing and government expenditure.

4.15 Regression Results of the Relationship Between government expenditure and supply of high powered money.

4.16 Regression Results of the Relationship Between public Debt and money supply.

4.17 Regression Results of the Relationship Between consumer price index and public Debt.

4.18 Regression Results of the Relationship Between price Index and public Debt as percentage of national income.

GRAPHS

4.1 Sudan Relationship between high powered money and money supply: 1970-1989
4.2 Ghana Relationship between high powered money and money supply: 1970-1989
4.3 Nigeria Relationship between high powered money and money supply: 1970-1989
4.4 Tunisia Relationship between high powered money and money supply: 1970-1990
4.5 Morocco Relationship between high powered money and money supply: 1970-1989
