ACKNOWLEDGMENT

There are several individuals to whom I owe debts of gratitude for their assistance, interest, encouragement and contributions in the preparation of this thesis.

It gives me profound pleasure to express my deep sense of gratitude to my guide DR. RAMESH K. GOYAL, M.Sc. (Medical), Ph.D., F.I.C., M.I.A.N.S., M.A.M.S., Associate Professor, Department of Pharmacology, L. M. College of Pharmacy, for his constant untiring guidance, invaluable suggestions, constructive criticism, encouragement and advice during the course of this work. Words could not be adequate to express the crucial nature of interactive help I have received from his learned personality. Without his help and co-operation I could perhaps not have been able to handle the subject with clarity of mind and purpose. To work under his guidance, has been an inspiration and experience for me, to be remember forever.

I thank DR. C.J. SHISHOO, Principal, L. M. College of Pharmacy for granting the facilities to do my research work.

I am indeed highly thankful to DR. M.L. SHUKLA, M.D., Chief, Shukla General Hospital, Bardoli for extending all the available facilities of his hospital and his valuable suggestions, useful criticism, sustained interest and genuine help throughout the course of this investigation.
I am also thankful to **MR. D.R. SHAH**, Principal, Dr. Dayaram Patel Pharmacy College, Bardoli for providing the facilities to carried out my work during my stay at Bardoli. Thanks are also due to **DR. D.D. SANTANI**, Professor, Department of Pharmacology, L. M. College of Pharmacy for allowing to carry out study in the Department.

I am also very much thankful to **DR. T.P. GANDHI**, Chief Executive, R&D, Cadila Laboratories Ltd. for providing the facilities available in Cadila during course of the study.

I feel a deep sense of gratitude and reverence as I acknowledge my indebtedness to the members of the ethical committee, **DR. A.J. GANDHI**, M.S., **DR. V.K. DESAI**, M.D. (Patho), **DR. D.G. VYAS**, M.B.B.S. and **MRS. J.M. SHUKLA**, who despite of their busy schedule, always provide a sustained encouragement during the study.

I sincerely acknowledge the financial support by a research grant from Gujarat Council of Science and Technology, Gandhinagar, Gujarat for the year 1991-92 and partial support from the Council of Scientific and Industrial Research, New Delhi.

I wish to express a word of appreciation to **DR. PRAKASH DESAI**, M.B.B.S., Chief Medical Officer, Varad Health Centre, **DR. KRISHNADAS**, **DR. SUNILBHAI** and **MS. TRISHABEN** for their kind co-operation.
I owe a special debt of gratitude to MR. A. K. SHETH, MR. AMIT ROY and MR. ASHISH D. MISHRA as staff of Dr. Dayaram Patel Pharmacy College, Bardoloi, who gave me the spirit, enthusiasm and impetus to realise my academic object and so were the staff members of the Department of Pharmacology, L. M. College of Pharmacy, Ahmedabad.

I also wish to acknowledge the considerable help by way of involvement from SHRI ANILBHAI AHIR, MRS. GITABEN DESAI, MR. KAMLESH MEHTA, MR. KANUBHAI and MR. JAYANTIBHAI.

At this stage I recall the selfless help extended to me by my friends GAURANG SHAH, MAHESH CHABBARIA, NARENDRA LAKKAD, ASHISH SEVAK and RUSHABH DAMANI at different stages of my work.

As always, I want to thank my wife, MRS. NISHA M. SATIA, whose unwavering patience and forbearance during the work have been most satisfying. My special thanks resides with my family members for the moral support and co-operation.

I owe special thanks to the patients who willingly participated in the study and without whom this work has not been possible to be completed.

Finally, I am also very thankful to MR. MANSUKH M. GAJERA for his expert and efficient typing of the manuscript.
