ACKNOWLEDGEMENT

I wish to acknowledge with gratitude the help which was given to me during this study and without which it would not have been completed or even undertaken.

I take this opportunity to express my deep sense of appreciation and gratitude to my supervisor, my esteemed guide, teacher and mentor, Dr. R.S. Saxena, Reader, Department of Botany, Meerut College, Meerut for his kind inspiration, knowledge, guidance and valuable suggestions, for conducting this research work and my uncle Dr. H.S. Singh, Ex-Director, Sir Chhotu Ram Engineering & Technology, Meerut, without his help and blessing this cannot be done.

I am also grateful to Dr. D.K. Jain, Head, Department of Botany, Meerut College, Meerut for his kind co-operation and encouragement to pursue the research work.

My gratitude is also due to Dr. N.P. Singh, Principal, Meerut College, Meerut, who gave their valuable time, co-operation and suggestions whenever I approached them with some problem.

It would have been impossible for me to undertake this research without the kind help and co-operation of coaching students Alok, Pratik, Rajiv, Swati, Sanjeet, Avinash my cousins, my maternal uncles, my neighbours Akant, Rishi, Shivani, my friend Neha for their help. They were helped and co-operation with me during the data collection.

I am also grateful to Dr. R.C. Arya, Dr. N.P. Singh, Department of Botany, Meerut College, Meerut whose help in completion of this research work.

I am thankful to my dearest brothers Rakesh Kumar, Jitendra, Dinesh for invaluable patience towards the completion of this research work.
I also express my thanks to all my colleagues and friends for their cooperation and encouragement throughout the work.

I dedicate this piece of work of my Mother and Father and sister Manisha who always encouraged me in my creative efforts with infinite gentleness and affection, and who ever shall be a source of inspiration for all my work. I also feel a sense of deep gratefulness to my all family members.

I express my thank Dr. A.K. Gupta, Reader in Botany my ex-supervisor for kind suggestions and encouragement.

I am thankful to all those authors, researchers and publishers whose works have been consulted, referred and quoted in this study.

I express my vote of thanks to all persons who helped me directly and indirectly to pursue the research work.

Last, but not the least, my sincere thanks are due to Mr. Sandeep Kumar, Shiv Computers, Krishna Plaza, Meerut for the care and pains he took in typing this thesis.
