ACKNOWLEDGEMENTS

I express my deep sense of gratitude and indebtedness to my supervisors Prof. G.P. Mishra, Department of Botany, Dr. Hari Singh Gour Vishwavidyalaya, Sagar and Dr. Ram Prasad, IFS, Director, State Forest Research Institute, Jabalpur for providing valuable guidance during the entire period of my research work.

At the University of Sagar, Prof. K.M. Vyas, Head, Department of Botany was extremely helpful in providing necessary guidance and supervision.

I sincerely thank the Dy. Directors Shri S.P. Singh, Dr. Jiten Kumar and Shri G.P. Date for their keen interest in this research programme. Their consideration towards me for completing this work is gratefully acknowledged.

Mr. H.D. Kulkarni who worked here as Forest Geneticist, provided guidance and inspiration in taking up this type of work on Forest tree species. I most sincerely thank him for his valuable guidance.

Dr. A.K. Kandya, Reader, Deptt. of Botany, Sagar University, was always available to help in conducting the research experiments and presentation of results. Dr. R.K. Pandey, Forest Botanist was always prepared to provide guidance at all stages. I sincerely acknowledge his help.
I am also thankful to my colleagues and fellow researchers Drs. G. Mohammed, Pratibha Bhatnagar, R.P. Awasthi, S.K. Tiwari, J.L. Shrivastava, S.K. Masih, Savita Kandya, Manish Mishra, Ashok Goswami and all others who helped in various ways in completing this research work.

Library Staff, particularly Mr. S.K. Sinha, Mr. A.K. Bhandari, Mr. Phillip Daniel Francis, Mrs. Jyotsna Dubey extended all possible help in procuring necessary literature. Their help is sincerely acknowledged.

In the end I also thank my wife Saroj Dhuria for her patience and encouragement which helped me in my pursuit.

Lastly I also thank to Mrs. and Mr. Sethi of Zapson Computer Centre for computerising my thesis.

Place: Jabalpur
Date: September, 1992.

(S.S. Dhuria)
