ACKNOWLEDGEMENTS

I deem it a matter of great pleasure in expressing my profound indebtedness to Prof. S.B. Saksena, M.Sc., Ph.D., F.N.A.Sc., F.B.S., Professor and Head of the Department of Botany, University of Saugar, Sagar, under whose valuable guidance and kind supervision this work was planned and completed.

I am grateful to the Education Department, Government of Madhya Pradesh, Bhopal, for having granted me study leave for the pursuit of these studies.

My thanks are also due to other members of the Department of Botany, for their co-operation and help.
