ACKNOWLEDGEMENTS

The joyness, satisfaction and euphoria that comes along with successful completion of any work would be incomplete unless mention the names of the people who made it possible, whose constant guidance and encouragement served as a beam of light and crowned out efforts.

I express my great sense of indebtedness to my supervisors Dr. Yerra Rajeshwar, M.Pharm., Ph.D., Professor Principal, S. R. College of Pharmacy, Warangal and Dr. K. N. Jayaveera, Ph.D., Retd. Professor, Jawaharlal Nehru University of Technology Anantapur, Ananthapuram for their guidance, innovative ideas, encouragement, constant inspiration, valuable suggestions and extreme cooperation throughout the course of work. No word of thanks, no expression of gratitude suffices my loyalty towards my teachers and it will be only like an ocean. Their genius contribution was instrumental for my success in this research work.

I am indeed gratefully thankful to Prof. K. Lal Kishore, Vice-Chancellor and Prof S. V. Satyanarayana, Director, Research and Development, Jawaharlal Nehru Technological University Anantapur, Anantapur, Andhra Pradesh.

I wish to express my sincere thanks to Dr. B. Madhava Reddy, Principal and all the faculty members of G. Pulla Reddy College of Pharmacy for their constant encouragement and support. I express special thanks to the teaching and non-teaching staff of S. R.
