ACKNOWLEDGEMENTS

First and foremost, I bow before God and thank Him for His blessings, guidance and love that He has bestowed upon me always.

मिच धृष्ठ घण्य गुर मुर.

sir oopar thaadhaa gur sooraa.

The Brave and Powerful Guru stands over his head.

ਰਾਜ ਉਗ ਬੇ ਬਾਜ਼ ਖਿਆ/7|

naanak taa kay kaaraj pooraa. ||7||

O Nanak, his efforts are fulfilled. ||7||

I would like to thank my supervisor, Prof. Aruna Bhatia, Dean life sciences, Punjabi University, Patiala for her incessant guidance, perspicacious thoughts, constructive criticism, wonderful analysis, enthusiasm, inspiration and her great efforts to explain things clearly and simply. Throughout my thesis writing period, she provided encouragement, sound advice, good teaching, good company, and lots of good ideas. It has been a great opportunity to work under such an experienced and caring teacher. Besides being an excellent supervisor, she was as close as a relative and a good friend to me. I am really glad that I have come to know the person like her in my life.

It is my profound pleasure to express my deep sense of gratitude to Prof. P.P. Balgir, my co-supervisor, who acted as my study leader and mentor in more ways than one. I owe lots of
gratitude for her kind assistance, able guidance, constructive criticism and valuable suggestion throughout the project.

It is my out most pleasure to thank Dr. Ram Sarup Singh, Head, Department of Biotechnology for giving moral support and encouragement.

I would also like to acknowledge Dr. Neelam Verma, Dr. Munish Puri, Dr. Minni Singh, Dr. Seema Garcha, Dr. Baljinder Kaur and Dr. Balwinder Singh Sooch for their genuine support whenever asked for.

I acknowledge the help received from Dr.Y.S Bedi , Dr. Sumit Gandhi and their students, IIIM, CSIR, Jammu for their valuable help in my difficult times, providing the required literature and cooperation throughout the tenure of the present work.

I owe a special word of appreciation towards my labmates Tulika maam, Arpit, Rupali, Nishu, Pankaj and all the Research Scholars for their timely assistance.

Special Thanks to Sheikh Abhid Ali for his helping hand and valuable suggestions in my lab work.

I am indebted to my friends for providing a stimulating and fun environment to learn and grow. Special thanks to Arsh, Deepi, Hardy, Deepak sir, Mandy sir, Jyoti, Tejinder, Puneet, Neena, Rupinder, Mukesh Sir.
I also extend my thanks to Mr. Gurdeep Singh, Mr. Indersen, Mr. Mohaninder Singh, Mr. Sanjeev Kumar, Mr. Sukhdev and all non Teaching staff of the Department for their timely co-operation.

I am overwhelmed with sense of gratitude which I owe to my family members particularly my Ma (Bhupinder Kaur) and Papa (Major Singh Randhawa) for their blessings, for their help and wishes for the successful completion of this work. Through my childhood and study career they always encouraged me to follow my heart. I am so thankful to GOD for such an understanding parents.

I am indebted to my in-laws family (Dr. Tejiwant Mann and Dhaminder Pal Kaur) for their motivation and consistent support. I express my deep gratitude for their patience, without which my doctoral education would have not been completed.

I deeply appreciate the great enthusiasm of my husband Onkar Singh Mann for his enduring, invaluable encouragement and consistent support for this endeavor. I thank him and my little son Angad Singh Mann for their forbearance during my long and weird hours that went in the completion of my thesis.

(Mansimran Kaur Randhawa)
