Acknowledgement

To know something without knowing the way to know it, is difficult task and it cannot be possible without the proper guidance. So, I am greatly indebted to my learned guide Dr. Chiranjeev Kumar, Associate Professor, Department of Computer Science and Engineering for his great inspiration, proper guidance, and friendly behavior which I received throughout the research work. Without his support, I could not be able to complete my research work.

I realize how much helpful were so many people to me. Without these people my research work could never have been materialized. Now, I realize that the acknowledgement is something that really comes from the bottom of the heart of every scholar.

I am deeply indebted to the Director and Dean (R & D), ISM to provide me the opportunity to pursue the research. I would like to give my sincere thanks to Prof. P. K. Jana (Head of the Computer Science and Engineering Department), Prof. Shalivahan (Head of the Geophysics Department), Prof. G. P. Biswas, Dr. Hari Om, Mr. Rajendra Pamula and all faculty members of the Computer Science and Engineering Department for their valuable comments and encouragement.

I am deeply indebted to my Controller General of Patents, Designs, and Trade Marks for allowing me to pursue my research work. I would like to give my sincere thanks to my senior Sri Madhurjya Thakur (Assistant Controller of Patents and Designs), Sri D.K. Rahut (Deputy Controller of Patents and Designs), Sri Rajkumar (Examiner of Patents and Designs), and my colleagues for their valuable suggestions and encouragement.

I give my sincere thanks to Sri R. K. Yadav, Assistant Professor (Delhi Technological University, Delhi), Dr. Prakash Tiwari, Associate Professor (Dehradun Institute of Technology, Dehradun), and Sri Bhrigu Shankar (Senior Geologist, G.S.I.). I am very much thankful to Dr. S. K. Biswash, Sri Dhirendra Kumar Sharma, and other research scholars for their help and valuable suggestions.
Last but not the least, the contribution of my wife, mother, and kids cannot be overlooked for their pain staking efforts and giving me ample time to complete my research work. At last, I give my sincere thanks to all those people who are directly or indirectly attached with my research work.
