The present thesis is the result of my continuous work under the esteemed guidance of Dr. K.C. Shrivastava, Reader, Department of Mathematics, Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P.

This thesis contains eight chapters. Two papers have been published in Mathematics Education and one paper has already been published in Mathematics Student. Other one paper has already been published in Journal of Scientific Research. Also three paper have been accepted in Acta Ciencia Indica and one paper has already been accepted in Bharat Ganita Parishad. These paper contain the main contents of chapters II, III, IV, V, VI, VII respectively.
The author express his sincere thanks to
Dr. K.C. Shrivastava, Reader, Department of Mathematics,
Dr. Harisingh Gour Vishwavidyala Sagar for his valuable
and timely guidance for the preparation of my thesis.

My thanks are due to Dr. S.K. Shrivastava,
Professor and Head of the Department of Mathematics and
Statistics, for taking perpetual interest in my work.

The author is also very much thankful to
Dr. P.L. Sharma and all teachers of the Department for
valuable co-operation during my research work and
preparation of this thesis.

My best thanks are due to both to S.G.U.
University and to the Govt. of Madhya Pradesh Department
of Education for awarding me research scholarship during
non overlapping periods.
Last but not the least, the author wishes to extend his deepest thanks to Dr. K. Qureshi Professor and Head of the Department of Mathematics, Govt. P.G. College Narsinghpur and Dr. R.K. Pande Lecturer, Govt. H.S. School Gadasari, Distt. Mandla.
