Acknowledgements

All glories are to God whose unlimited and unpredictable source of help made me able to win this academic honor of my life.

It is my privilege to take this opportunity to record and express my deep sense of gratitude and indebtedness to my supervising research guide Dr. Hemant Ananda Mahajan, Associate professor, Smt. G.G. Khadse Science College Muktainagar, Dist Jalgaon for his inspiring guidance in the problem, keen interest, critical supervision, instructive criticism, constant encouragement, and accommodating discussion during the course of my research.

I am grateful to Hon’ble Dr. R.B. Survase, Former Principal and Dr. L.P. Deshmukh, Principal, J.D.M.V.P. Arts, Science and Commerce college Varangaon (Nutan Maratha College Varangaon) for granting the permission and providing laboratory facilities to carry out this research work in laboratory. Department of chemistry. Art, science and commerce college Varangaon.

I take opportunity to thank professor A.H. Shinde, Head, Department of Chemistry. My departmental colleagues professor A.B. Patil, Sau. M.S. Patil, N.S. Dhande for their help and cooperation. I am also thankful to prof. K.B. Patil, Prof. D.L. Patil, Prof. Satish Patil and Mr. R.J. Patil.

I am grateful to Dr. D.D. Agrawal Vice Chancellor. S.J.J.T. University, Vidyanagari, Jhunjhunu, Rajasthan, India and Dr. M.S. Monalisa Boruah, Research co-ordinator (chemistry), all faculty and staff of S.J.J.T. University, Jhunjhunu, Rajasthan.

I know she may not like it but with all honestly I express my gratitude towards my wife Sau. Savita Mote, for her continuous moral supports, encouragement, understanding, inspiration, and patience throughout the period of this work. I am also thankful to my son Manish Mote, for their co-operative enthusiasm during the research work.

Finally, the researcher express his sincere thanks to all the persons who directly or indirectly extended their help time to time to complete this investigation successfully.

Mr. Mote Sudhakar Pralhad
