ACKNOWLEDGEMENT

I am very grateful to Prof. B S Vishwanath, Research Guide, Department of Studies in Biochemistry, University of Mysore, for his kind help, encouragement and keen interest in the progress of my research work. I express my deep sense of gratitude for his constant encouragement, extreme patience and academic nourishment right from the beginning to this stage with incessant co-operation in all aspects of research activities.

I am indebted to Dr. K Kemparaju, Dr. P Sharanappa, Prof. V VASUDEV, Prof. Cletus J M D'Souza, Prof. M Karuna Kumar, Dr. B K Sharath, Dr. Gopal K Marathe and Dr. K.S. Girish, the faculty members, Department of Studies in Biochemistry, and Bioscience University of Mysore, Mysore for their help and encouragement throughout my research work.

I wish to thank Prof. T Veerabasappa Gowda, Ex-faculty member, Department of Studies in Biochemistry, University of Mysore for his timely help and encouragement.

I bow my head always to my father Sri. Swamy K and mother Smt. Yashodamma K. I am grateful to my aunty K A Savithramma who sacrificed their whole and sole life for my education and encouragement throughout my research career. Without their foresight I would not have completed research work.

I am deeply indebted to my wife Mrs. Rajeshwari G for her patience and invaluable support which really helped me to concentrate more on this investigation. Further, I extend my thanks to my uncle Mani and Chandrashekaraiyah for their timely co-operation.

I take this opportunity to say that the patience and indispensable support of my relatives and friends, Virupaksha, Vishalakshi, sudha, Shyla, Suma Nagesh and Ravi Kumar who have always been behind my ventures and have proved to be of immense value without which I could not complete my research work.
It gives me an immense pleasure to thank specially to my indebt family friends, Dr Gopinath S M, Dr Chikkaswamy B K, Dr Venu G, Dr Umesh S, Dr Suneetha T B, Dr R Krishnamurthy, T G Keerthy and Manjunath Reddy for their help in my research career.

I am also greatful to Smt Sannanaik, Dr Vasanthi Vishwanath, Mr. Ankush and Ms. Lahari, the family members of my dear Sir, Dr B.S. Vishwanath for their constant help and encouragement throughout my research career.

I express my special thanks to my batch seniors Dr Sathish Kumar Murari, Dr Jameel, Dr Nanda B L, Dr Nataraju A, Dr Rajesh R, Dr Raghavendra Gowda C D, and my Research batch mates Dr Venkatesh Kumar, Dr Siddesha J M, Dr Riyaz M, Dr Shaista Tarannum. I am thankful to my juniors Mr. Vikram Joshi Mr. Suvilesh K N, Mr Nanjaraj urs, Ms. Savitha, Mr. Rudresh G V, Mr. Manjuprasanna V N, Mr. Amog urs, Ms. Zahra Ashkavand and for their constant support and encouragement throughout my research work. I always remember their rendered service during my research career.

I specially thank Dr Shivaprasad HV and Dr. Yariswamy M for their support to carry out animal studies and platelet coagulation studies respectively.

I thank Narayanswamy, Sri Raghavendra Enterprises to provide rabbit for immunization studies with ethical clearance.

I must thank my colleagues Mrs.Sathya Prema, Mr.Sathish, and My senior Prof. Nagbhushan for their indispensable help in my research career.

I am thankful to Mr.Hombaiah, Mr.Gurunath, Mr.Kariyappa, Mrs. Jyothi Mallaiah Mr.Bettegowda, Mr.Suresh, Mr.Aziz, and Mr.Kenchappa, non-teaching staff for their co-operation during my stay in the department.

I also express my thanks to M.Sc., students, Department of Studies in Biochemistry, University of Mysore, for their scientific interaction and interest in my research work.

I express my gratitude towards staffs of Victoria Hospital Bangalore, for collecting epidemiological data on snake bite patients. I heart fully thank Prof. Yajurvedi, Central Animal Facility, DOS in Zoology, University of Mysore, Mysore for the timely supply of experimental animals for my study.

DAYANANDA .K.S.
