ACKNOWLEDGEMENT

I take this opportunity to express my sincere gratitude to my guide Dr. G. Anwar (Retired), Reader in Education, Regional Institute of Education, Mysore, for his incessant encouragement, generous help and for valuable suggestions in carrying out this study.

I avail this opportunity to express my deep sense of gratitude to Professor D.G. Rao, Principle, Regional Institute of Education, Mysore for his timely help and encouragement.

My thanks are due to Professor V.D. Bhatt, Head, Department of Education, Regional Institute of Education, Mysore, for his constructive suggestions and co-operation.

I express my heartfelt thanks to Professor S. Ramaa, Dr. Vishwanathappa, Dr.N.N.Prahallada (Retired), Professor Premalatha Sharma(Retired) Regional Institute of Education Mysore and Professor K.Yashodhara, BOS, University of Mysore for their co-operation and valuable suggestions.

My heartfelt thanks to Professor B.S.P. Raju and Professor B.S. Upadyaya, Department of Mathematics for their co-operation and encouragement.

I am highly indebted to Dr. Lancy D Souza, Lecturer in Psychology, Maharaja College and Dr. Hemamalini. H.C., Associate Professor in Education IGNOU, Goa for their proper directions and suggestions given to me throughout the work. They had been kind enough to give their valuable
guidance for my Research work, without their support, this Thesis would not have been completed.

I place a record of my gratitude to the Principles, Lecturers D.Ed Colleges, Mysore District for their kind co-operation to carry on this work. I thank all the D.Ed teacher trainees for their enthusiasm and co-operation for carrying out my work.

My heartfelt thanks to my colleagues and friends who always inspired me to do this work.

I am thankful to Sri. S. Nagaraju, Librarian, Regional Institute of Education, Mysore and equally the staff too for their sincere help and service.

My heartfelt thanks to Mr. Madhu, M/S Madhu Computers for the continuous encouragement and support without him, this thesis would not have been completed and also for the excellent and accurate work of this thesis.

It would be ungrateful if my husband S. Ramu is not acknowledged here for his continuous encouragement and moral support given to me by him throughout this study. I wish to express my deep sense of gratitude to him, who with amazing understanding bore with me patiently during the long period of my involvement in this research work.

My heartfelt thanks to Miss. Ibbani and Miss. Inchara and all my family members for their indirect support.
