Acknowledgements

I express my deep sense of gratitude to my guide, Dr. S.M. Aradhya, Scientist, Department of Fruit & Vegetable Technology, Central Food Technological Research Institute (CFTRI), Mysore, for his exemplary guidance, support and sound criticism, which enabled my research efforts to come in shape with meaningful conclusions.

My special thanks to Dr. S. Rajarathnam, HOD, Department of Fruit & Vegetable Technology, CFTRI, Mysore, for providing me constant encouragement, co-operation and suggestions.

With great pleasure I thank Dr. G. Venkateshwara Rao, Director, CFTRI, Mysore and Padmashree Dr. V. Prakash, Former Director, CFTRI, Mysore for their constant encouragement and an opportunity to work at CFTRI.

I sincerely thank Dr. P. V. Salimath, Head, Department of Biochemistry and Nutrition for his immense help in carrying out the diabetic study. I thank Dr. K. Akhilender Naidu, Scientist, Department of Biochemistry and Nutrition for the help rendered in antiplatelet-aggregation study.

I thank all the scientists and supporting staff of FVT department for their timely help and encouragement during the course of my Ph.D work. I gratefully remember the cooperation I received from the other departments of CFTRI, Scientific and support staff of Central Instrument Facility and watch and ward of CFTRI.

I am indebted to my parents, peddamma, father-in-law, mother-in-law, sister and brother for their enormous support and motivation. At this juncture, I would like to thank my brothers-in-law for their affection and encouragement.

My special thanks to my wife, Anusha, for her constant support, care and love. One of the best experiences that we lived through in this period was the birth of our son, Varshith Reddy, who provided an additional joyful dimension to our life.
I would like to thank Jamuna, Research Scholar, Department of Biochemistry and Nutrition, CFTRI for her help in successful completion of diabetic experiment. Technical assistance provided by Sri. Vishwanatha is gratefully acknowledged.

At this stage I remember my colleagues and friends at the CFTRI, Saravanan, Swaroop kumar, Anand, Police goudra, Siva, Guna, Suresh, Badri, Ranga, Obulesu, Sharath, Vasu, Anup, Raghu, Desai, Kumaresan, Mohan Dhale, Nagendra, Lakshmisha, Raghavendra, Badri, Viswa, Arun, Darukesh, Ravi, Reddy, Gangadhar, Ayyappan, Venkatachalam, Ramesh, Prashanth, Mallikarjun, Mahendra, Lokesh, Danny, Sreedhar, Chandu, kanchan, Shupra, Reena, Meesha and Vidhya for all their friendly scientific discourse, good will, help and support. My special thanks to Surya for his timely help.

I gratefully acknowledge Council of Scientific and Industrial Research (CSIR), New Delhi, for awarding the Junior Research Fellowship and Senior Research Fellowship.

Finally, I would like to thank all the unknown hands and minds involved in completing the thesis.

- Harshavardhan Reddy. A
