ACKNOWLEDGEMENTS

I am very grateful to my beloved guide Dr. Nagappa U. Bhajantri, Professor and Head, Dept. of Computer Science and Engineering, Government Engineering College, Chamarajanagar, who has allowed me to work under his supervision for my Ph.D research. His tireless guidance, motivation and enthusiasm helped me to acquire a fruitful training with a broadened horizon and clear perspective at every stage of research.

I would like to express my sincere gratitude to Dr. P. Nagabhushan, Professor, Dept. of Studies in Computer Science, University of Mysore, for his continuous support and frequent interactions during the entire period of my research. I am very much indebted to Prof. P. Nagabhushan who often gave me valuable advice and support at every stage of my research, and was much concerned with the progress of my research. It was really my privilege to work with Dr. N. U. Bhajantri and Dr. P. Nagabhushan. Without their help, support, and trust, it would not have been possible for me to achieve this milestone.

It is my pleasure to thank Smt. Laxmi Nagabhushan for her care, hospitality and moral support during my interactions with Dr. P. Nagabhushan.

I would like to express my gratitude to Dr. T. N. Nagabhushan, Chief Executive, JSS Research Foundation, Mysore who has been in the Doctoral Committee. His suggestions and comments helped me understand the intricacies of my research work. I would also like to express my gratitude to other members of the Doctoral committee - Dr. C.N. Ravi Kumar, Dr. S.K. Padma and Dr. Sudharshan S Patilkulkarni for their suggestions during the review of my research work.

I thank all reviewers of my papers for their comments and suggestions which helped me in improving the quality of my thesis.

I owe my deepest gratitude to Fr. Leslie Moras, Principal, St. Philomena’s College, Mysore, for spending his valuable time in reading the thesis and making a number of useful suggestions which helped me in bringing the thesis to a good shape.
I wish to express my sincere thanks to JSS Research Foundation for giving me an opportunity to carry out the research work. I would also like to thank administrative staff of JSS Research Foundation for their support in the administrative work.

I also wish to thank the Management of New Horizon College of Engineering for encouraging me in doing my research.

I would like to thank Dr. Henry Y. T. Ngan, Research Associate of Industrial Automation Research Laboratory, Department of Electrical and Electronic Engineering, The University of Hong Kong for providing me the database of defective fabric images.

Finally, I would like to thank my husband Gurudath, my sons – Akshay and Shreyas, and my parents for their encouragement and moral support throughout the period of my research work.
