ACKNOWLEDGEMENT

I am highly indebted to my thesis supervisor, Prof. C.Srikantappa, DOS in Earth Science, University of Mysore, under whose supervision and guidance this work was carried out. I was immensely benefited by his valuable guidance, suggestions, inspiration and encouragement throughout this work. I wish to express my sincere and heartfelt gratitude to him.

I am grateful to Prof. B. Basavalingu, Chairman, DOS in Earth Science, University of Mysore for the encouragement and providing necessary facilities for this work.

I express my sincere gratitude to Prof. A. Balasubramaniyan, Chairman, BOS in Earth Science.

I am thankful to Prof. S. Govindaiah, Prof. H.T. Basavarajappa, Dr. K.N. Prakash Narasimha and all the other faculty members of Department of Studies in Earth Science, University of Mysore, for providing necessary facilities and valuable suggestions and comments during the course of my thesis work. I am also very thankful to Smt. Sarvamangala for her support during my research work.

I thank Mr. Praveen.B, Research scholar, DOS in Earth Science for his constant help at various stage of this work.

I express my sincere thanks to DST (DST/IR/ESF-08 2005 dt.4.7.2007) for the financial assistance for carrying out the research work. The facilities provided by the university of Mysore are thankfully acknowledged.

I am extremely grateful to Prof. Abhijit Bhattacharya, Prof. Biswajit Mishra and Prof. Sandanukumar Bhowmick, Department of Geophysics, IIT, Karaghpur for extending facilities and all support to carryout EPMA work. I am also greatly indebted to Prof. G.R. Ravindra Kumar, CESS, Trivandrum for XRF analyses.

My Sincere thanks to Dr. Malathi, DMG, Govt of Karnataka for her constant support during the field work.

With pleasure, I acknowledge Mr. Basavaraju, thin section cutter and all the non-teaching staff of the DOS in Earth Science for their wholehearted co-operation and encouragement at various stages of this work.
My appreciation also extends to my friends and research scholars Mr. Mohit Kalantari and Mr. Arash Zargar from Iran, Mr.Nagamadhu,C.J, Ms.Susheela.S, Mr. Lokesh Bharani.P, Mr.Shomasekar.K.N and Mr. Vishwanath.R for their co-operation and support during the course of this work.

Last, but not the least, I am greatly indebted to my parents and family members, who gave me all moral support during all these years of my Ph.D. work and remain a constant source of encouragement.

GOBI. R
