ACKNOWLEDGEMENT

With great respect, I place on record my sincere gratitude to Dr. M. Sundaravadivelu, Professor, Dept. of Chemistry, Gandhigram Rural Institute-Deemed University, Gandhigram and to Dr. Om Vir Singh, Research Scientist, Department of Chemistry, The University of Texas, San Antonio, USA, who have kindly supervised my Ph.D studies. I am obliged to them for their inspiring guidance, timely help, encouragement and the moral support they have given during the course of investigation.

I extend my profound thanks to Dr. N. S. Nagarajan, Professor and Head, Dept. of Chemistry, GR1, Gandhigram and Dr. G. Karthikeyan, Professor of Chemistry, GUI, for all their help and encouragement. Help rendered by other Faculty members and non-teaching staff of Dept. of Chemistry are duly acknowledged.

I also thank Dr. S. Perianal, Professor, Dept. of Chemistry, Madurai Kamaraj University, Madurai and member of my research committee for his help and encouragement.

My profound gratitude is due to Dr. P. Pushpangadan, former Director, TBGRI and Dr. V. George, Plead, Phytochemistry (Division, TBGRI, for their interest in my studies and also for the laboratory facilities extended to me.

I am much indebted to Dr. M. K. Gurjar FNA, Deputy Director & Head, Organic Chemistry: Technology Division of National Chemical Laboratory, Pune and the scientists of the division Dr. R. A. Joshi, Dr. (Mrs). R. R. Joshi, Mr. I. Shivkumar for their constant encouragement and suggestions. I also thank Dr. C. V. Ramana, scientist, NCL for going through the manuscript and his valuable suggestions.

I am thankful to Dr. G. Vijay Nair, Ex-Director, RRL, Trivandrum and Dr. Mangalam S Nair, scientist, RRL, Trivandrum for allowing me to utilize their Library as well as their instrumentation facilities.

The services of the technical staff at the Indian Institute Technology, Chennai, Indian Institute of Science, Bangalore, Bharathidasan University, Trichy for some of the NMR and Mass spectra are duly acknowledged.

It is my great pleasure to thank the big list of friends who have helped in some way or other for this venture., I am indebted to Dr. K. K. Sabu, Dr. N. S. Pradeep, Mr. Anil John, Dr. Susan, Mr. Vijaya kumar, Mr. Vinoclh kumar, Dr. Manoj, Dr. Priya rao. I also thank my friends from Pune Dr. Rama Varma Rajagopal, Mr. Joseph Cherian, Dr. K. K. Reddy, Mr. D. P. S. Reddy, Dr. Shivshankar, Mr. Shiju, Mr. Thomas….(never ending list) for giving push in to the stream.

Words fall short to thank my family members for their never ending encouragement and support. The thesis is a form to pay respect to their attributes. Above all, I thank the Almighty for all the blessings.

M. Muthukrishnan
