

ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to my supervisors, Professor P. K. Gupta and Professor H. S. Balyan, Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut, for their supervision, keen interest, continuous involvement, constant encouragement and constructive criticism at every stage during the course of this study.

I wish to express my sincere thanks to other faculty members of the Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut, including Professor B. Ramesh (Head of the Department), Dr. P. K. Sharma and Dr. S. S. Gaurav for their encouragement.

My special thanks to Mrs. Sudha Gupta and Mrs. Chandra Kiran Balyan for their care, moral support and constant encouragement during the course of study.

I am thankful to my colleagues including Jitendra Kumar, Shailendra Sharma, Neeraj Kumar, Amita Mohan, Ravindra Singh, Aakash Goyal, Ajay Kumar, Reyazul Rouf Mir, Sumana Banerjee, Moumita Das, Raman Dhariwal, Vandana Jaiswal, Priyanka Agarwal, Sandhya Tyagi, Vijay Gahlaut and Supriya for their valuable help and co-operation.

Thanks are also due to Dr. Azhaguvel Perumal, Texas AgriLife Research, Texas A&M University, Amarillo, USA for providing the sequences/aliquots of few SSR primers used during the present study.

My special thanks are also to Dr. Shahryar F. Kianian, Department of Plant Science, North Dakota State University (NDSU) Fargo, USA for providing me an opportunity to work in his laboratory.

Technical and non-technical staff of the Department of Genetics and Plant Breeding also extended all necessary help during this study.

Financial assistance received during the course of this study from Department of Science and Technology (DST) and Department of Biotechnology (DBT), Government of India, New Delhi is gratefully acknowledged.

I also wish to express my gratitude to my parents and grandparents, who made so many sacrifices to support me in undertaking this study. This is a fulfillment of their long cherished hopes and ambitions for me. A special note of thanks to my brother and sister-in-law for encouragement, emotional support, and for all that they have done for me. Thanks to my loving sister and brother-in-law for their assistance, support and friendship. Love to my dearest niece and nephew. I am also thankful to other members of my family who have stood by me all the times. It is their support and affection that made my work much easier to follow my thoughts.
