Acknowledgement

Research is like an ocean and one needs to be guided and supported by several individuals in order to drive out a handful of pearls from its depth.

I feel honoured and greatly invigorated to express by deepest sense of incessant and profound gratitude to my supervisor Dr. Mukesh Kumar Sharma, Professor, Department of Statistics, Punjabi University, Patiala (Punjab) and Co-supervisor, Dr. Rajeev Kumar, Associate Professor, Department of Mathematics, Maharshi Dayanand University, Rohtak (Haryana) for their erudite guidance, unstinted support, stimulating discussion, speculative monitoring, constant counsel and keen interest through out the progress of the investigations embodied in this thesis.

I tender my humble thanks to Dr. H.S. Jhajj, Professor and Head Department of Statistics, Punjabi University, Patiala (Punjab) for his judicious cooperation and adequate departmental facilities.

I duly acknowledge the timely and fruitful assistance, moral support and kind cooperation of all the faculty members of the Department of Statistics, Punjabi University, Patiala (Punjab).

I am extremely indebted to Dr. R. K. Tuteja, Director C.S.E., N.C. College of Engineering, Israna (Panipat) who has been a source of inspiration and constant encouragement throughout the progress of this work.

I feel immense pleasure to express my indebtedness to my revered parents and in-laws for their good wishes, affection, remitting encouragement as well as perpetual inspiration during the entire course of my investigations.

I have no words to express my profound sense of gratitude to my wife Seema Mor for extending her paramount support and sustained me with her utmost care, most cherished help and cooperation during the present work. My love and appreciation are limitless for my beloved son Dhruv and daughter Bhavya who had to sacrifice a large number of affectionate moments due to my involvement in the present work.

My loving gratefulness well up in my heart for my sister-in-law Suman and my friend Dilbagh Singh Ahlawat for their most cheerful support, generous help and inspirations during this period.
I am grateful to Mrs. Meenu Kumar w/o Dr. Rajeev Kumar and her two little sons who extended generosity and hospitality as well as for their patience for long-long hours while at work at their home.

Some name may not find mention here but they are all close to my heart. I thank all those who have silently wished, gave fruitful suggestions and helped in achieving the present goal.

Above all, I thank to the Almighty God for the light he has kindled in me which has led the path I am on.
