This research work would not have been possible without the help of so many people in so many ways. I mustn’t forget to express my deep gratitude towards my parents as their blessings have always been my asset, or I wouldn’t have been what I am today.

I am wordless to express my deep sense of indebtedness towards my beloved guide, Prof. R.J Ramteke who has not only guided me during the completion of this research work but also helped, motivated and encouraged me. He can be summed up as a ‘source of inspiration’. I can’t forget the family members of my guide. It is because during my stay in Jalgaon, Varsha Mam, very sweet Anagha and Amay have always treated me as if I were one of their family members.

I must thank Prof. B. V. Pawar, Director, School of Computer Sciences, North Maharashtra University Jalgaon, as he has provided all the required research facilities at the department. I shall never forget the evaluative suggestions and moral support given by the faculties of the School of Computer Sciences, NMU, such as Prof. S.R. Kolhe, Mr. A.U. Surwade, Dr. M.R. Joshi, Mr. R.P. Bhavsar, Dr. A.S. Patil, Mrs. N.V. Patil, Miss. S.B. Shirude, Mr. S.V. Kapse, Mr M.P. Patil, Mr. S.S. Bhamare, Mr. Husain H. Dawoodi, N.D Pawar, Deshmukh Mam. I am also thankful to all the office and technical staff of School of Computer Sciences for their valuable support.

I thank all the administrative authorities of NMU, Jalgoan for having permitted me to carry out my research work at this esteemed University. I am really indebted to North Maharashtra University and G.H Raisoni group of institutions as they awarded me Shri G.H Raisoni Doctoral fellowship.

I express my deep feelings towards late Mr. Ahmad Bin Abood, the then Secretary, Anjuman Ishate-E-Taleem, Beed for his constant motivation. Mrs. Khan Sabiha, the existing Secretary, Anjuman Ishate-E-Taleem and Dr. Salim Bin Ahmad, the President deserve a lot of thanks for their frequent motivation. I am very much thankful to Dr Mohd. Ilyas Fazil, the principal, Dr. Sayed H. K., the vice principal of Milliya College, Beed for their encouragement and providing the support in all
respects. The contribution of Dr. Syed Shafiuddin, head, Dept. of Computer Science, and Dr. Santosh Dubal may not be compensated only by words.

I wish to express my sincere gratitude to Prof. S.C. Mehrotra of Dept. of Computer Science, Dr. BAMU Aurangabad for his valuable suggestions and encouragement throughout my research work. Dr. R.R. Manza, Dr. Pravin Yannawar and Dr. Shivanand S. Gornale deserve my deep gratitude for their encouragement and moral support during this work. I also thank Kazi, Arjun Mane, Mushtaq, I.B Shaikh, for their help during this research work.

Only to say, ‘thank you’ may not be sufficient in case of Dr. V. M. Rokade, Dr. Anil P. Dongre, Ghanshyam Ramteke, Abdul Bari, Snehal and my friend-cum-colleagues Mr. Shaikh Naim who made me to feel enthusiastic and happy during research work. I am very thankful to D.B Khan, Sanjay Gharde, Bhausar Sir, Munaf Sheikh for their support and blessings.

I am extremely grateful to Dr. Abdul Anees, Dr. Shaikh Hafiz and Mufti Abdul Rahim for their encouragement, support, evaluative contribution and valuable tips for smooth completion of my research work. I can’t forget the friendly support of my teachers-cum-colleagues like Dr. S.S Husaini, Dr. Sairy Abdulla, Dr. Asef Iqbal, Abus-Shakoor, Dr. Abus-Samad, Dr. Shaikh Rafique, Dr. A.J Khan, Mr. Momin F.I, Mr. Amir Salim, Mr. Najmuddin, Shaikh Rizwan and other teaching and non-teaching staff of my college.

I am very grateful to have support from by the research fellows, Abdul Hannan, Sunil Nimbhore, Monali Khanchane. R.S Zinjore, Sunilkumar, N.S Rajput, Arif Ali, B.B Bandari, Mr. Besekar. My Friends Dr. Firdausi, Sajid, Raju Gaware, Dapke, Wasim, Jamil, Nasir, Imran, Shahnawaz, Ayaz bhai, Sameer, Akef and Ishaq have constantly encouraged me during my work.

I am wordless to express my heartfelt feelings at moral support and services rendered by my brothers Javed, Ubed and other family members Reshma, Navira, Wasim, Naaz, Zakriaya, Sameer Ali, Late. Mr. Alauddin, Shamsher Khan, Naser Khan Kausar Ali, Syed Mukhtar Ali, Dr. Shaikh Shafiuddin. I am very much thankful to my in-laws, uncles, nieces, nephews and grandfather as they have always been with me with their warm wishes and blessings. My wife has emotionally supported me during the research work; hence, she deserves a lot of thanks.
Nothing can erase the moments of joy and fun I experienced with my son, Rehan and daughter, Zoya during the research work. They made me forget all my work stress, pressure and tiredness through their naughty and funny talks with me. Their innocent wishes have a great contribution to this research work.

Before I conclude, I would love to say ‘thank you’ for all those who are in mind but not mentioned.
