Acknowledgement

It is a pleasure in presenting this work, which could not have been possible without the guidance and splendid supervision of my respected supervisor Dr. Meenakshi Bawari, Reader, Department of Life Science and Bioinformatics, Assam University, Silchar.

I express my sincere gratitude to my co-supervisor, Dr. Ashok Kumar, Principal Scientist and Head, Division of Veterinary Public Health, IVRI, Izatnagar, UP for providing me the opportunity to work in ICAR. I am ever grateful to him for being the strong guiding force behind my PhD research. I offer my sincere gratefulness to Dr. Ingudam Shakuntla, Sr. Scientist, Division of Animal Health, ICAR, Barapani, Meghalaya for providing me all the facilities while working there and for helping me throughout the laboratory work and completing the thesis.

I convey my gratitude to Hon’ble Vice Chancellor, Assam University, Silchar who supported my endeavour whole-heartedly.

I am thankful to Prof. G.D. Sharma and Prof. Manabendra Dutta Chaudhury, HOD, Department of Life Science and Bioinformatics, and Prof. Devashish Kar, Dean, School of Life Sciences, Assam University, Silchar for providing me with the Laboratory facilities.

I gratefully acknowledge the encouragement and advice from my esteemed teachers of the department of Life Science and Bioinformatics, Assam University, Silchar.

I am grateful to Prof. Sankar Kr. Ghosh, Department of Biotechnology, Assam University, Silchar and Dr. Pranab Majumdar, Assoc. Prof, Department of Biotechnology, Assam University, Silchar for providing laboratory facilities where I have done a part of my research work.

I am grateful to Dr. S.V. Ngachan, Director, ICAR, Barapani, Meghalaya for providing me the opportunities to work a part of my research work in ICAR. I convey my thanks to Principal Scientist Dr. R.K. Bordoli, HOD, Division of Animal Production, ICAR, Barapani, Meghalaya; Senior scientist Dr. Ramgopal Laha, HOD, division of Parasitology, ICAR, Barapani, Meghalaya for providing me suggestions and all kinds of lab facilities.
I gratefully acknowledge the help from Principal Scientist Dr. Arunava Patnayak, HOD, Center of Biotechnology, ICAR, Barapani, Meghalaya who introduced me into the world of RAPD dendogram.

I would like to offer my heartiest gratitude to Dr. Zunjar Dubal, Junior scientist, Dr. Kekungu Puru senior Scientist, ICAR, Barapani, Meghalaya for all kinds of suggestions and moral support during my work.

I would like to offer my heartiest gratitude to Dr. Anupam Talukdar, Assistant Professor, Department of Life Science and Bioinformatics, Assam University, Silchar for helping me throughout the Research work.

I convey my sincere thanks to Dr. Indu Sharma, Assistant Professor, Department of Microbiology, Assam University, Silchar for her kind help during my work.

I convey my sincere thanks to Anjana Rizal and Rajkumar Pegu- research fellow; Dr. Rajib Das- GRF, ICAR, Barapani, Meghalaya; and Ratnabir Sinha, Shyamali Singha, Sudipta Das, research fellow, Assam University, Silchar for their encouragement and support. I also owe my thankfulness to Dr. Shuvasish Choudhury, Assistant Professor, CIL, Assam University, Silchar; Dr. Pankaj Chetia, Research Associate, Bioinformatics Centre, Department of Life Science and Bioinformatics, Assam University, Silchar; Rahul Suryawanshi, research scholar, IVRI, Izatnagar, UP; and my beloved junior research scholar Ananya Deol and all others.

Thanks are also due to RARS (Regional Agriculture Research Station), Akbarpur, Karimganj, Assam; Regional Meteorological Centre, LGBI Airport, Guwahati-14, Assam from where I got the meteorological data. I am also thankful to (RRTC), Ribhio District, Meghalaya; Animal Nutrition farm, ICAR, Barapani, Meghalaya from where I got experimental samples whenever I needed.

How can I miss such a wonderful opportunity to show my regards and all my heartiest gratitude to my family member that comprises of my parents Sri Rajani Kanta Sarkar and Smt. Krishna Sarkar; my elder brothers Ashim Sarkar and Kingshuk Sarkar; my sister Mrs. Sikta Sarkar and my brother-in-law Mr. Swapan Sarkar, who were ever responsive to my all kinds of needs. I cherish my Father’s dream being the source of my overall inspiration.

Thanks are also due to my childhood friends Mr. Debasish Ghosh, Mrs. Basari Deb, Mr. Alok Sharma, Mrs. Deboshree Nath, Mr Rajib Roy, Mr Bablu Choudhary, Mr
Prasenjit Chakraborty and Rupasree Deb Nath, who always assisted and encouraged me during the time of my research work.

Last but not the least; I am eternally thankful to the Almighty by whose grace all have gone so well.
