At the very onset of presenting my Ph.D final submission report, I would like to acknowledge all those who have inspired me in every aspect to proceed and complete the work inspite of all odds.

It is with a deep sense of gratitude that I wish to thank my guide and supervisor, Dr. Indu Sharma, Assistant Professor, Department of Microbiology, Assam University, Silchar, for her scholastic guidance and wholehearted help all through the work, making me know the pros and cons of the work, importance of doing such a work in the field of Agricultural Microbiology and preparation of the manuscript smoothly and successfully. I would also like to pay my sincere thankfulness to Dr. Bibhas Deb, Associate Professor and head, Department of Botany, G. C. College, Silchar for constant encouragement, constructive criticism, instinctive attention and inspiring suggestions during the course of my investigation. I would like to express my deep sense of respect and admiration to Dr. Piyush Pandey, Associate Professor and Head, Department of Microbiology, AUS for his continuous encouragement and unstinted support that always been the driving forces for me.

Thanks to Prof. G.D. Sharma, Vice-Chancellor of Bilaspur Vishwavidyalaya, Chhattisgarh for his invaluable suggestions and important remarks throughout the course of my research work.

Thanks to Department of Biotechnology (DBT), Govt. of India, New Delhi for providing infrastructural facility and financial support for the establishment of Bioinformatics Centre and Institutional Biotech Hub in Gurucharan College, Silchar and making use of sophisticated laboratory facilities throughout the course of my research work. I put into words my justifiable thankfulness to Department of Microbiology, Assam University, Silchar for providing me support and all amenities to bring out my research work satisfactorily and prolifically.
I also state my sincere appreciation towards the scientists and staff members of Krishi Vigyan Kendra, Masimpur; Office of Director of Agriculture, Silchar and District Soil Testing Department, Silchar for providing me reports and assists me in interpreting the survey results.

My special thanks goes to all my friends for encouraging me from the very beginning of the course work till the end of the preparation of this pre-submission report.

Eventually, I found no words to express my feelings to my beloved parents, my sister and other family members for their love, affection, supreme self less sacrifice, incessant persuasion attention, inspiration and constant blessings which brought me to this phase of life in the achievement of this pinnacle of success.

I also pay my sincere thanks to Bangalore GeNei; National Institute of Biomedical Genomics (NIBMG), Kolkata; Bose Institute, Kolkata and Himachal Institute of Life Sciences, Ponta Sahib who stood to extend their helping hands in various ways during my research work.
