ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude to the authorities of the University of Mysore, Mysore, for permission and facilities, without which I would not have accomplished the present work.

I wish to express my profound appreciation and sincerest thanks to my worthy supervisor Prof. K. Basavaiah, Department of Studies in Chemistry, University of Mysore, Mysore for his inspiring guidance, keen interest, continuous help, constructive suggestions, wise counsel and continuous encouragement during my research work and preparation of this thesis. His kindness will be remembered forever.

I feel highly privileged to extend my gratitude and cordial thanks to Prof. H.S. Yathirajan, Chairman, Department of Studies in Chemistry, University of Mysore, Mysore for his encouragement, appreciation and help during this research work. I also express my thank to the former Chairperson- Prof. D. Channe Gowda for having given facilities to carry out the research and to the Doctoral Committee members Prof. S. Shashikanth, Prof. H. D. Revannasiddappa and Dr. K. N. Mohan, for their valuable suggestions from time to time.

I am also thankful to our senior colleagues D. Ragavendra Rao Desai and Dr. Saji Thomas for their kind support.

I am also thankful to Dr. K. Tharpa, Dr. K.B. Vinay, Dr. N. Rajendraprasad, Dr. O. Zenita, Dr. A.M.A. Sameer, my laboratory mates M. X. Cijo, M. S. Raghu, K. N. Prashanth, N. Swamy, and P. Vamsi Krishna, and all my friends for their support and valuable advice. I am also thankful to all teaching, non-teaching staff and research scholars in the Department of Studies in Chemistry, University of Mysore, Mysore for their support and cooperation.

Finally, I would like to express my heartfelt gratitude and honest appreciation to my beloved father (Mr. P. U. Jagannath murthy), sweetest mother (Ms. G. N. Nirmala), father-in-law, mother-in-law, brother-in-law and brother, whose hands always raised to pray for my success.

At last, but not least, I pay special thanks to my loving wife (Ms. Nagaratna) and my children (M.R. Koushik and M.R. Bhumika) for their patience, cooperation, moral support and constant encouragement through out my research work.

P.J. Ramesh
