ACKNOWLEDGEMENTS

I thank the Supreme God for giving me the strength and confidence during my research period and all through my life by showering his ocean of blessings.

I express my sincere gratitude to Dr. K.N.MOHANA, Reader in Chemistry, Department of Studies in Chemistry, University of Mysore, Manasagangotri, Mysore for having taken keen interest in guiding me at all stages in the course of my experimental investigations, theoretical studies, discussions and writing during the preparation of this thesis.

My heartfelt thanks to Prof. G. Nagendrappa, Chairman, Department of Studies in Chemistry, University of Mysore for giving me an opportunity to carry out my research work.

I am highly obliged to the Management and Principal of National Institute of Engineering, Mysore for permitting me to pursue my research work.

I express my sincere thanks to Prof. K. M. Lokanath Rai, Dr. S. Ananda, DOS in Chemistry, University of Mysore, Mysore, for their valuable suggestions. I would like to express my sincere thanks to Prof. Syed Akheel Ahmed, Prof. K. S. Rangappa, Dr. D. Channegowda, Dr. H. S. Yathirajan, Dr. K. Basavaiah, Dr. Y. B. Basavaraju, Dr. P. Nagaraja, Dr. S. Shashikanth, Dr. Nagaraj Naik, and Dr. H. D. Revanasiddappa, of the Department of Studies in Chemistry, University of Mysore, Mysore, for their support during my research study.

I take this opportunity to thank my research colleagues, Mr. Badiea A. M., Mr. L. Mallesha, Mr. S. S. Shivakumar, Mr. Avinash, Miss. Chaithanya Lakshmi and Ms. Srilatha, and all the research scholars who supported and helped me during the course of my research work. I wish to thank Mr. Girish, for his keen help and support during my research work.

To one person whom I try to convey my thanks words fail me as she stood by me through the thick and thin in all my endeavors and dreamt for me is my beloved mother,
Late Smt Meera Bai. My heart felt thanks to my father Sri Madhav Bhandarkar for his encouragement and support.

Very special thanks to my eldest brother Mr. Mohandas Bhandarkar who stood as a tower of strength at each and every step of my life and inspired me towards the achievement of my ambition. Thanks to his family members too. I also thank my other two brothers Mr. Radhakrishna Bhandarkar, Mr. Lakshminarayana Bhandarkar and their family members.

I have been very fortunate to have the best and most supporting mother-in-law Smt G. Radha Bai. Blessings of my father-in-law Late Sri M. Govinda Rao have immensely helped me.

My sincere thanks to Mr. G. Venkatesh Pai, Ms. Shamala V. Pai, Raghavendra Pai, Ms. Padma, G, Mr. Ashwin K. Suvarna and Mr. R. Amirtaraj who have helped me directly or indirectly during the period of my research work.

I would also like to express my gratefulness to my best well wisher, Mr. Chandrashekar and family.

I convey my innumerable and earnest thanks to the Head and staff of CFTRI Library who have enormously helped me in my reference work.

I am grateful to Sri Parthasarathy Rajagopalachariji, President, Sri Ramachandra Mission for instilling confidence in me during the period of my research work.

Lastly but most importantly, from the depth of my heart I thank my son Gururaj R. Bhandarkar and my wife Suneetha R. Bhandarkar whose serenity and encouragement was instrumental in accomplishing this task.
