ACKNOWLEDGEMENT

The first of all to whom the credit is extended by me is none other than Dr. Sangeetaben Pathak, Associate Professor, Department of Psychology, Vallabh Vidyanagar. She has guided me by giving her valuable suggestions during the entire Research Work. I was lucky enough to get Dr. Sangeetaben Pathak not only as an academic guide but also as Philosopher and Friend.

I am also very much thankful to Dr. Samir J. Patel, Professor and Head, Department of Psychology, Sardar Patel University, Vallabh Vidyanagar for inspiring me. I am also very much thankful to entire Department of Psychology, Vallabh Vidyanagar, who has directly or indirectly helped me for my research and encouraged me throughout the research. How can I forget to thank Dr. A.B.Jansari who motivated me for my doctorate degree.

I am especially thankful to all my family members who always encouraged me and gave moral support to complete my Doctorate Degree.

I am really thankful to all the students from various colleges, who have helped me by giving their valuable time for data collection in research work.

My thanks are once again due to one and all who have contributed in one or the other way and have been helpful to me in my research work.
