ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude and indebtedness to Dr. M.S. Tomar, M.Sc., Ph.D., Assistant Professor, Department of Physics, Dr. Harisingh Gour Vishwavidyalaya, Sagar, under whose guidance this work is completed. His valuable suggestions have given me direction and encouragement during the course of the present investigations.

I also express my sincere gratitude to Dr. A.P. Srivastava, Professor and Head, Department of Physics, Dr. H.S. Gour Vishwavidyalaya, Sagar for encouragement and providing all the necessary facilities making it possible for me to carry out the work in the Department.

I am also grateful to Dr. R.K. Shrivastava, Retired Professor for his help during the course of work.

I am thankful to Dr. V.B. Agnihotri, Director, The State Forensic Science Laboratory, Sagar, for providing me necessary facilities for pellet formation. I should like to thank Dr. G.N. Navaneeth, Director, Regional Sophisticated Instrumentation Centre, Nagpur University, Nagpur for X-ray Diffraction of Samples. I am also thankful to my friend Dr. K.K. Asthana for his kind help in the process of this work.

Lastly, I wish to acknowledge my grateful appreciation to University Grants Commission, New Delhi and Govt. of Madhya Pradesh, for sponsoring me as Teacher Research Fellow under the Faculty Improvement Programme of U.G.C.& for financial assistance.

( Shyam Sunder Agrawal )
