ACKNOWLEDGEMENTS

In the completion of this work, I owe special acknowledgements to all those who have co-operated and helped me in every possible way, during the course of this research work.

It is impossible to express fully my deep sense of gratitude and feelings to my respected teacher and guide Dr.(Miss)Kusum K. Bhatt, Reader, Department of Psychology, Gujarat University, for her encouraging and critical but invaluable guidance. She has always been kind in extending her scholarly guidance at every stage in this study.

I wish to express my gratitude to Late Mr. Kanubhai Mehta, Honarary Founder Secretary of Apang Manav Mandal, for allowing me all the necessary facilities and guidelines to carry out this work. I am also thankful to Mr. Bhupendarbhai H. Rawal, Principal, of Apang Manav Mandal for granting me full help and support to conduct my study at the institution.

I also wish to extend my sincere appreciation and gratitude to Dr. P.P Pandit, of Civil Paraplegic Hospital and to Mr. Mukund Pandya, and Mr. Bharat Thakkar (Psychiatric Social Workers) of Civil Paraplegic Hospital for their kind and sincere co-operation to conduct my research study.

I acknowledge my gratitude to Mr. Subodhbhai Shah of "Ellisbridge Arogya Samiti"-Pritamnagar Akhada for guiding me and providing me with the patients to interview. I‘m also thankful to the heads of the various institutions and their members who extended their help and co-operation to carry out research on the students of their institutions. Thanks are also due to those students and patients who were subjects of this study and showed genuine interest in answering the questionnaire and facilitating the investigation.

I would also like to thank Mr. Karnibhai Parakh of Kunal Xerox for his kind help and Co-operation and with whose support and assistance my research work has been projected so perfectly.
I would also like to express my gratitude to all those friends and well-wishers who have helped in one way or another for this investigation. A word of special thanks to my fiance Perseus P. Banaji for his help in innumerable tasks which were all very important & essential for the completion of my thesis. His support in my work I shall never forget.

Lastly, but not the least, I am highly indebted to my dearest mother and father who helped and encouraged me during my research work. In the end I would like to dedicate this thesis to the loving memory of my Late mother who was and still is a guiding force in my life.
