Acknowledgments

The author would like to express his gratitude to Professor K. A. Damanathan, Professor Vikram Sarabhai and Professor Vachaspati for having extended to him the hospitality of the Physical Research Laboratory, Ahmedabad.

The work reported in the thesis was done under the supervision of Professor Damanathan. He wishes to record his indebtedness to Professor Damanathan for introducing him to the subject, for his valuable guidance and helpful discussions during the progress of the work.

Finally, it is a pleasant duty to thank the Ministry of Scientific Research and Cultural Affairs of the Government of India for the award of a Senior Research Scholarship for the period of work.
