Acknowledgements

I express my profound sense of gratitude to Dr. M. Jathavedan, Professor and Head, Department of Mathematics, Cochin University of Science and Technology, for his continuous inspiration and sincere guidance throughout the period of my research work.

I would like to express my sincere gratitude to Professor T. Thrivikraman, former Head of the Department of Mathematics, Cochin University of Science and Technology, for his inspirations and advices throughout the period of my work. I also extend my sincere thanks to Dr. A Vijayakumar, former Head of the Department of Mathematics, Cochin University of Science and Technology, for the encouragement he has given to me.

I use this opportunity to express my sincere thanks to all faculty members and staff of the Department of Mathematics, Cochin University of Science and Technology and to my fellow researchers for their help and inspirations.

I would like to thank the Principal, Government Engineering College, Wayand and my colleagues for their cooperation and encouragement. In the process of my research work, many people, directly or indirectly, have helped me. I would like to express my gratitude to them also.

I acknowledge with great pleasure the financial support from the Council of Scientific and Industrial Research, India, during my full time research.

I owe very much to my family members, especially to my mother, wife, brother and sister, for the moral support they extended throughout the course of this work.

Above all, I praise and thank God Almighty for his blessings throughout the period of my work.

Subin P. Joseph
