ACKNOWLEDGEMENT

In the Completion of my thesis and during the entire course of my experiments, I cannot forget the efforts, guidance, concrete suggestions and constructive criticism by my both guides. I am very much thankful and pay my full regards to my learned and esteemed guides, Dr. V.S Singh Prof and Head (Retd.) Department of Biochemistry, LLRM Medical College, Meerut and Dr. Shashank Tyagi, Editor-In-Chief, Journal of Advance Research in Biological Sciences, President of Society of Biological sciences of India and Prof and Head, Department of Biochemistry, Muzaffarnagar Medical college, Muzaffarnagar.

This work could have been a mirage if I could not blessed by Dr. S.P Singh Prof. and Head (Retd.) MLB Medical College, Jhansi, Dr. Mridula Mahajan Prof. and Head, Department of Biochemistry, Government Medical College, Amritsar and Dr. Suman Bala Sharma, Prof. of Biochemistry, University College of Medical Sciences, Dilshad Garden, Delhi.

I am highly greatful and Praise my gratitude to Prof. K.N Suraykar, Registrar, Maharistra University of Health Sciences, Nasik and Dr. Geeta Jaiswal, Prof. and Head, Department of Biochemistry, MLN Medical College Allahabad for their constant suggestions during the entire period of my research work.

Further it may gives me a great pleasure to express my deep sense of gratitude to Dr. Neelema Singh, Prof. and Head, Department of Biochemistry, G.R Medical College, Gwalior, Dr. Hundal Parchwani, Prof. and Head, Department of Biochemistry, NIMS University Jaipur, Dr. Saroj Jaiswal, Prof. and Head, Department of Biochemistry, I.G Medical College, Shimla for their able guidance and endless supports.

I am extremely thankful to Dr.Manisha Arora , Assoc. Prof. Department of Biochemistry, Muzaffarnagar Medical college, Muzaffarnagar and Dr.Parul Goyal Asst. Prof. Department of
Biochemistry, Muzaffarnagar Medical college, Muzaffarnagar their supports and blessing in my completion of research work.

I am specially thankful to Mr. Jaivinder Kr. Garg for typing the thesis and Ship Shaping of the manuscript.

My sincere thanks to Dr. Sandeep Mitthal Principal and Dean, LLRM, Medical College, Meerut and Prof. D.K. Sharma Director, Muzaffarnagar Medical college, Muzaffarnagar for kind permission to carry out my research work overthere.

I will fail in my duties if I forget to give my sincere thanks to Dr. Arvind Kumar Singh Asst. Prof. Department Community Medicine, Muzaffarnagar Medical College, Muzaffarnagar for his help rendered to me in the completion of results and their verifications by statistical methods.

I am very much proud to express my deep sense of gratitudes to my parents Dr. R.P. Singh and Mrs. Beena Nehra for their kind support. I am thankful to my brother Dr. Utkarsh Nehra and sister Dr. Ritu Nehra those provided me a good environment at home to work in complete silence and to always kept me happy in the hectic time of experiments.

In last but not the least I pay a special thanks to my wife Dr. Manju who entered in my life in the final phase of my manuscript and spreaded her all good wishes and blessings in a very short time.
