ACKNOWLEDGEMENT

It is with a deep debt of gratitude that I remember the numerous individuals and institutions that helped me to complete this work successfully.

First, I would like to record with gratitude the name of my research guide Dr. Merlee Teresa M.V. (Sr. Margaret Mary), Reader (Retd.), Dept of Botany, St. Teresa’s College, Ernakulam, who closely followed and constantly supported me in this study. My great debt of gratitude to her is beyond words.

I thank Dr. (Sr.) Avita, Professor, (Retd.) Dept. of Botany, St. Teresa’s College, Ernakulam for her valuable help throughout the course of the study. I express my sincere thanks to Rev. Sr. Emeline, former Principal, and Rev. Sr. Tessa, the present Principal.

I am extremely grateful to H.E. Rt. Rev. Dr. Thomas Chakiath, Manager and Dr. Laliamma Jose, Principal, Bharata Mata College, Thrikkakara. I sincerely express my indebtedness to Prof. V.I. George, former Principal and H.O.D. of Botany. I also thank the former H.O.D., Rev. Sr. Kochuthresia, the present H.O.D., Mrs. Asha Lonappan as well as the other members of the Dept. of Botany and other colleagues for their help and encouragement.

I am thankful to Dr. Ammini Joseph, the Director, School of Environmental Studies, Cochin University of Science and Technology (CUSAT), Kochi, for her valuable suggestions and advice.
The help rendered by the management of HNL, HOC and Mc Dowells
is greatly acknowledged. I recall with gratitude Dr.K.V. Jayalakshmi, Scientist,
National Institute of Oceanography (NIO) Kochi, and Mr. Mohan, for rendering
me necessary help in the statistical interpretation of the data.

I remember with gratitude Mr. Girish R., Research Assistant, CMFRI,
Kochi for the help rendered in photographic works. Thanks are due to the
authorities of CMFRI, Kochi, and CUSAT, Kochi for providing me the necessary
library facilities to carry out the reference work.

I am obliged to the teachers and non-teaching staff of the Dept. of
Botany, St. Teresa's College, Ernakulam, for their encouragement and support.
Thanks are due to my colleagues of the research centre, Dept. of Botany, for their
whole hearted co-operation and encouragement.

My heartfelt thanks to Ms. Rekha K., Dept. of Botany, St. Teresa's
College, Ernakulam and Mrs. Beena B. Nair for the invaluable help and support.

I thank the U.G.C. for granting me fellowship under the Faculty
Improvement Programme which has enabled me a lot to conduct this study.

I thank Mr. Udayan, Kalamassery for the neat and stylistic execution
of the thesis.

I remember all my dear and near ones with immense love and gratitude.

My unbounded gratitude to my beloved parents, brothers, sisters,
husband, children and in-laws for their understanding, tolerance, unlimited patience,
inspirations and blessings.

Above all, I thank the Almighty for providing me this opportunity and
for the successful completion of the thesis.
