ACKNOWLEDGEMENTS

I have immense pleasure in thanking my Supervisor Dr. S.K. Jain, Department of Biochemistry, Jamia Hamdard for guidance and keen interest in this research work throughout the period of the study.

I deem it my sacred duty to express my profound gratitude to my Co-Supervisor Dr. Ranju Ralhan, Department of Biochemistry, All India Institute of Medical Sciences for having infused in me the very percipienda for research. Her pragmatism and innovative ideas have earned a distinctive respect. Without her help and encouragement, this work would not have been possible.

I feel immensely obliged to Dr. P.C. Ghosh and Dr. Tyagi from Department of Biochemistry, South Campus and Dr. Krishna Prasad, Department of Biotechnology, AIIMS for their continued help during the time of crises in the department of Biochemistry, AIIMS. Dr. Shyam Chauhan and Dr. Ivone Gomes from Biochemistry (AIIMS), Dr. Srinivasan, Dr. Vandana and Pushkar from Biophysics (AIIMS), Joshi (Physiology, AIIMS), Dr. Seema Madan from South Campus, Dr. Chandra Sekhar, Dr. Girl, Dr. Amit, Dr. Rajesh Anand and Dr. Pauhsae from National Institute of Immunology, Dr. George and Dr. V.T. Srinivasan from Bhabha Atomic Research Centre, Bombay for their kind assistance and guidance during the course of my research work.

I would like to give special thanks to Dr. Damayanthi (M.D student) for being exceptionally good friend. Her humane quality and constant encouragement is acknowledged with deep appreciation.

I love to say that my esteemed friend and colleague Ms. Jasbir Kaur, has a large authority in my thanks for sharing her knowledge and for her constructive criticism.
I owe my sincere thanks to my colleague Dr. Surya Pratap Singh for helping me towards the shaping of my thesis. He has been a source of inspiration, optimism and moral support to me.

I am grateful to my group mates Murli, Vibhor, Dr. Gautam, Sarita, Zeba, Divya, Sandhya and Vaishali who have rendered their knowledge, assistance and co-operation during the course of this thesis. Though it is not possible to name all my friends, those who deserve special mention are Dr. Prasanna, Dr. Sridevi, Dr. Vineeta, Dr. Archana, Amit, Gopal, Dr. Vandana, Anjaiya, Punit, Somishta, Usha, Sumir, Sumanto, Anjan, Mrinmoy, Shakir, Javeed, Nidhi, Sandhya, Padma, Ashish, Radhika, Vibha, Shuba, Uma, Alpana and Anupama. I wish to thank the staff of Electron microscopy, Pankaj and Chinman lal for section cutting, Sanjay for his typing assistance, Mathura Prasad, Anand and Mahesh for their technical and valuable help.

Financial Assistance from the Council of Scientific and Industrial Research and Indian Council of Medical Research is gratefully acknowledged.

Last but not the least, the members of my family specially my parents, brothers and sisters deserve my sincere thanks for their persistent inspiration they gave me during my research work.
