Acknowledgements

At this juncture of my life, I would like to take opportunity to bestow my sincere thanks to all those who have kindly cooperated and supported my endeavors during my PhD.

At the very onset, I wish to express my profound reverence to Dr. M. A. Qadar Pasha, Scientist, IGBP. It is a pleasure and my proud privilege to have worked under his guidance. I thank him for his encouragement and freedom to pursue research with ease and confidence. His favor towards development of independent abilities has enhanced my scientific as well as personal attitude.

I also feel privileged to have the guidance of Dr. Saleem Javed and Late Prof. M.A. Baig, Jamia Hamdard. During all of our interactions, their optimistic approach towards the subject under consideration was admirable. Their able guidance is highly acknowledged. I would also like to acknowledge Prof. S. K. Jain and Dr. Shakir Ali for their moral support and encouragement.

I am also thankful to Prof. S. K. Brahmacari, Director IGBP, for kindly providing me the necessary environment for research and scientific interaction and allowing me to make full use of the diverse laboratory facilities at the Institute to carry out this work.

It has always been a pleasure for us to have Dear ma'am Dr. Santosh Pasha around. I cannot forget that homely concern and care, whenever we went at your place, be it festivals or scientific discussions.

I would also like to acknowledge the other faculties at IGBP, Dr. G. L. Sharma, Dr. Taruna Madan, Dr. Balram Ghosh, Dr. K. C. Gupta, Dr. R.H. Das, Dr. H. R. Das, Dr. Abhay Sharma, Dr. G. S. Khatri, Dr. V. C. Kalia, Dr. Shantanu Sengupta, Dr. Shantanu Chowdhry, Dr. Beena Pillai, Dr. Naveen Arora and Dr. Yogendra Singh for their encouragements and important suggestions during my presentations which have benefited commencement of my research work. Special vote of thanks is due to Dr. Mitafi Mukerji for allowing the proficient usage of Sequencing and GeneScan facilities.

It was always an exciting experience visiting Ladakh. I can never forget to acknowledge, Dr. Tsering Norboo, LHF, Leh, Ladakh, not only for being a great collaborator in terms of the precious study samples but also for his hospitality during our stay. I also would like to appreciate the hospitality of Ven Thubten Choegyal, Chairman, LHF, Leh, Ladakh and Mr. Md. Iqbal, SMM, hospital, Leh, Ladakh during our visits. Our collaborations with Lt. Col. Hemashree, Lt. Col. Latika Mohan at HAMRC, Leh, Ladakh and Dr. Zakwan Ahmed, Major Amit Rastogi at PRL, Leh, Ladakh and Dr. Ghulam Mohammad at SMM hospital, Leh, Ladakh has also helped us with our scientific commencements.

The staff of IGBP, especially Mr. Bhardwaj, Mr. Indrajeet, Mr. Ajit, Mr. Sharma, Mr. Arun, Mr. Mishra, Ms. Zarina, Ms. Lalita, Ms. Ganju, Ms. Batra, Ms. Neelam and our Administrative officer, Mr. Joshua were highly co-operative throughout my stay in IGBP. The technical support provided by R.B. Ram R and Yograj Ji is also appreciated.

The administrative staffs in Jamia Hamdard, especially Mr. Farid, Mr. Ibrachim and Mr. Aslam have also ensured that the proceedings were smooth.
I would love to remember the companionship of my lab mates. The journey began with Dr. Amjad, Dr. Aarif and Dr. Charu. Their constructive criticism, fruitful discussions and valuable suggestions helped me a lot during the course of Ph.D. It is my pleasure to acknowledge the all time cooperation and support of Manoj, Jayasree, Tsering, Dr. Azim, Ehtesham, Arpana and Rahul.

Other colleagues in the lab, Dr. Anil Chiller, Dr. Shrutha, Dr. Manta, Shankar, Mudit, Poonam, Vibha, Jyotsana, Lakshma, Neelkamal, Savneet and friends inside IGIB, Dr. Mahesh, Dr. Sandeep, Krishna, Jai Shankar, Pullav, Saif, Adesh, Gyan, Dr. Kashif, Gopal, Kshitij and Suehlata they all have helped at crucial steps. The list of friends also includes Ishwar, Praveen, Priyanka, Raj and Preeti discussing experiments with them was constructive.

Much is owed to my parents beyond words can express. I am highly thankful to God, for gifting me with such caring, loving and supportive parents. I am also grateful to my son Prabhmeet, wife Veerpal and brother Dafjit for their love and patience that has smoothed the progress of this work.

I would like to acknowledge, CSIR, for the research fellowships in terms of IRF and SRF.

Finally, I am thankful to Almighty for gifting me the associations of such people and for keeping the candles of determination and patience flamed inside me throughout the period.
