ACKNOWLEDGEMENTS

I have pleasure in expressing my profound and sincere gratitude to my guide, Dr. Mohini Gadhia, Professor and Head, Department of Aquatic Biology, Veer Narmad South Gujarat University, Surat for her wise guidance, precise supervision and continuous encouragement throughout the course of this research work. I am extremely thankful for invaluable moral and technical support she extended to me all through these years to carry out this study to completion.

I would like to extend my special thanks to Dr. N.C. Ujjania, Associate Professor, Department of Aquatic Biology for his kind help and suggestions. I want to acknowledge all staff members and my colleagues Dr. Dharmesh Gandhi, Dr. Ritesh Tandel, Mr. Ekhalak Ansari, Mrs. Ranjana Surana, Department of Aquatic Biology, Veer Narmad South Gujarat University, Surat for their timely cordial help.

I express my immense thanks to Dr. Pankaj Gadhia, Professor and Head, Department of Biosciences, Veer Narmad South Gujarat University, Surat for his valuable support and guidance extended during my work.

I am indebted to Dr. Parvez Abbasi, Professor and Head, Department of Sociology, Veer Narmad South Gujarat University, Surat and Mr. Vimal Trivedi, Associate Professor, Centre for Social Studies,
Veer Narmad South Gujarat University Campus, Surat for their valuable help.

I also gratefully acknowledge Dr. Dhaval Maheta, Assistant Professor, G.H. Bhakta Management Academy, Department of Business and Industrial Management, Veer Narmad South Gujarat University, Surat for his kind help to carry out the statistical analyses.

I am very much thankful to Mr. Chintan Gajjar, Computer Programmer, Central library, Veer Narmad South Gujarat University, Surat for his help.

I am also thankful to Dr. Pratibhaben Desai, Director, Shree Ramkrishna Institute of Computer Education and Applied Sciences, Surat, Dr. Hemant Pandya, Associate Professor, Department of Microbiology, Government Medical College, Surat and Mr. Mehul Tarsadia, Senior Lecturer, Vaidic Dental College of Research Centre, Daman for their invaluable support.

I am extremely grateful to Mr. Riddhish Pathak, Deputy Commissioner of Fisheries Department, Government of Gujarat, Gandhinagar and other staff of Fisheries Department, Surat for their unending help and cooperation provided throughout the course of study.

I would personally like to thank Mr. Ghanshyamsingh Dabhi, Sanitary Inspector, Surat Municipal Corporation and Mr. Krupesh Shah,
Civil Engineer, Surat Municipal Corporation for their support during research period.

A special thanks goes to Mrs. Rekhaben Tailor, Mr. Ishwar Patel, Mr. Parikshit Icchhaparia, Mr. Pradip Patel, Mr. Bharat Mali and all fish sellers, fisherfolks and farmers associated with this study for their continuous support, without their selfless help, this study would never be completed.

Further, I express my wholehearted and immense thanks to my husband Mr. Prashant Shah and my son Master Kahan for their forbearance, untiring support and encouragement. My in-laws and friends are also thankfully acknowledged for their well wishes and support.

Last but not least I am rendering my heartfelt gratitude to my beloved parents, Dr. Girish R. Talsania and Dr. Hina G. Talsania who are inspiration in my life for their constant encouragement, motivation and prayers.

Date: Niharika G. Talsania
