ACKNOWLEDGEMENT

All the praises to Almighty ALLAH, the most merciful and the sovereign power, who made me able to accomplish this research work successfully.

I express deep gratitude to my research guide Prof. M. V. N. Ambika Prasad, Professor and Chairman, Dept. of Materials Science, Gulbarga University, Gulbarga for his scholarly guidance, keen interest, strong motivation and constant encouragement during the course of the work. I thank him from the bottom of my heart for his great patience, constructive criticism and inspiring suggestions apart from his invaluable guidance to me.

I also gratefully acknowledge Prof. A. Venkataraman, Professor, Dept. of Chemistry, Gulbarga University, Gulbarga, Prof. R. L. Raibagkar, Professor, Dept. of Applied Electronics, Gulbarga University, Gulbarga, and Dr. K. S. Venkatesh, Associate Professor, Dept. of Sugar Technology, PG Center, Mandya, Mysore University, Mysore for their inspiration, guidance and valuable comments.

I am grateful to The Commissioner, Dept. of Collegiate Education for permitting me to carry out this work.
I owe my sincere thanks to all the colleagues of Department of Physics, Government Degree College, Gulbarga for their valuable advice, support, co-operation and encouragement during my work.

I wish to extend my thanks to my senior research colleagues Dr. Anilkumar R Koppalkar, Dr. Ameena Parveen and Dr. Aashish Roy for their valuable suggestions in completing this work.

Special thanks are reserved to my research colleagues Mr. Chakradhar C. and Mr. Jakeer Hussain, Mrs. Anuradha M S, Mr. Mohd. Abdul Raheem, Mr. Syed Abusale Quadri, Mr. Vinayak G. K. and all the other members of the research group for their help and co-operation.

I would like to thank Dr. Sindhu H. M., Mr. C. M. Tavade, Mr. Nagbasavanna Sharanappa, Mr. Ravishankar Bhat, Mr. Tayyab Ali, Kum. Priyanka D., Mr. Kantrao Saware, Mr. Venugopal Joshi, Mr. Venkatvishwanath and Mr. Math Shivalingayya, all part-time research scholars and non-teaching staff of Dept. of Materials Science, GUG, for their kind help during the tenure of my research work.

I wish to express my thanks to Dr. M. Sasikala, Professor, Godutai Engineering College for Women, Gulbarga, for her kind support and encouragement during the period of research.
I am particularly grateful to my parents, in-laws, brother, sisters and sister-in-law for their sympathy, encouragement, moral support, love and affection towards me to sail through the difficulties and bring me to this position.

Finally, I would like to express my deep sense of appreciation towards my life partner Dr. Rehaman Patel and my daughters Aisha and Hafsa for their constant support at every moment of my work. They were always there to help and encourage me so that I could resume my confidence inspite of frustrations and continue to work.

Syeda Seema
