ACKNOWLEDGEMENT

All praises and thanks to God, the Almighty, the Merciful and the Omniscient who’s Blessings enabled me to complete this work. With great pleasure, I express my gratitude to all those personalities, who extended their fullest co-operation for the successful completion of the present endeavor.

First of all, I would like to express my deep sense of gratitude and indebtedness to the authorities of the Kurukshetra University, Kurukshetra for providing me an opportunity to undertake the present research work.

It is indeed my privilege and pleasure to express my profound sense of gratitude to my research guide a versatile, intellectual and co-operative personality, Dr.(Mrs.) Sudesh, Professor, University School of Management, Kurukshetra University, Kurukshetra, her guidance could bring this research work in the present shape. She is not only dedicated and perseverant but also provides her valuable guidance, which always does justice to the visible qualities inherent in her. I must appreciate her for her patience, great involvement and sympathetic behavior, which enabled me to complete this work. The feedback I got from her, enable me to know very good things for doing excellent work.

I am very humbly acknowledged the help, best wishes & support rendered by my moral supporter and motivators my respected father Late Sardar Dilbag Singh & Mother Sardarni Manjeet Kaur, who always taught me lesson of patience, hard work, devotion and dedication.

I am also very thankful to providing me emotional support from a dynamic, knowledgeable Brother Gurwinder Singh, his sustained guidance has been a pillar of strength in completing the Research work successfully.

A project of this topic has to face several problems, however, it was considered advantageous to me to have continuous consultations with Dr. Hawa Singh, Professor and chairman, Commerce Deptt., Kurukshetra University, Kurukshetra. Due to his co-operation, guidance & active assistance the present research work could be completed.
I express my deep appreciation and sincere gratitude to all my loving friends and relatives for providing me moral support; due to their co-operation & active assistance the present research work could be done.

At the end, I would like to thank all those who provided information for this, and who generously shared details of their experiences and technical aspects about this research.
