ACKNOWLEDGEMENT

The author wishes to express her deep sense of gratitude to her supervisor Dr. R. Arumuganathan, Professor and Head, Department of Mathematics, PSG College of Technology, Coimbatore, for his inspiring guidance, constant encouragement and constructive suggestion at every stage of this research work.

The author wishes to thank Dr. R. Rudramoorthy, Principal, PSG College of Technology, Coimbatore for giving her the permission to use all facilities in the college without which the work would not have been completed.

The author expresses her sincere thanks to Dr. R. Nadarajan, Professor and Head, Department of Applied Mathematics and Computational Sciences, PSG College of Technology, Coimbatore for his valuable suggestions, extended support and constant encouragement to carry out this research work.

The author wishes to express her deep sense of appreciation and thanks to her research colleagues Dr. M. Balasubramanian, Dr. B. Sridevi, Dr. M. Haridass, Dr. M. Senthil Kumar and Dr. A. Rathinasamy for useful discussions and interactions on this research work. The author extends her sincere thanks to Dr. P. Kalpana, Assistant Professor, Department of English, for her support in formatting the present work.

The author wishes to thank all the faculty members and supporting staff of the Department of Mathematics, PSG College of Technology, Coimbatore, for their kind cooperation and help rendered during this research work.

The author owes her special thanks to her family members who have always been source of inspiration to her throughout the research work.
