ACKNOWLEDGEMENT

Nothing can begin or end without the blessing of that unseen power of Almighty GOD who made me capable enough to reach where I am in my life.

I am thankful to all the Participant blood donors without whom this study could not have taken place.

It has been a matter of great privilege and pleasure for me to work under the guidance of my honourable Ph.D guide Dr. Amrish N. Pandya, Professor and Head, Department of I.H.B.T., Government Medical College, Surat. His admirable guidance, valuable inspiration, constructive criticism helped me to imbibe things and materialize the study.

I am deeply obliged by the assistance from Dr. S.M. Patel, Professor and Head of the Biochemistry department and other faculty members and residents for their kind support at different stages of the study.

I am really grateful to Dr. R.D. Patel (formerly) and Dr. Bharti M. Jha, Professor & Head of department of Pathology G.M.C., Surat for their constant encouragement and overall administrative help for completing this study.

I acknowledge my sincere thanks to Dr. R. Dixit, Dean, Govt. Medical College, Surat, and Dr. Mahesh Vadel, Superintendent, New
Civil Hospital, Surat for his permission for enabling me to conduct the study.

I express my heartfelt gratitude to Dr. M.M.Patel, Dr.V.M.Bhagat, Dr R.N.Hathila, Dr. Arpita Nishal, Dr.Bhavana Gamit, all the Assistant Professors and Tutors of Department of Pathology, GMC, Surat for their consistent support, encouragement.

A great deal of motivational encouragement at every nook & corner of life was also provided to me by my close kin Dr. Jigna Modi, Dr. Prashant R Patel and Dr. Ashwin Vasava

Not to forget, noble assistance provided by Dr. Jitendra Patel and all other faculty members, resident doctors and technical staff members from IHBT Department and to all the staff members of sickle cell laboratory for their generous support for my study.

I am also highly indebted & thankful to Dr. Manoj Kahar, a practicing pathologist at Navsari, and Dr.Anas, & Dr. Mamta from PSM department, G.M.C., Surat for their valuable suggestions and inputs during the study.

I owe a lot to my Parents, my in laws, and all other family members for their love, unconditional support. I am deeply indebted & owe a special thanks to my kids Palak and Freya for being extremely supportive and understanding throughout the study period.
‘THANKS’ is definitely a small word to express my gratitude towards my caring and affectionate husband Mr. Sanjay Gheewala for being a continuous source of inspiration, encouragement, support and looking after my needs during the study period.

Dr. Hemali J Tailor
