ACKNOWLEDGEMENT

I would like to express my deepest gratitude to my research supervisor Dr. G. Sankaranarayanan, Professor, Sri Muthukumaran Institute of Technology, Chennai, for his valuable guidance, meticulous supervision, motivation, keen interest and constant encouragement. My sincere gratitude is due to Dr. PSS. Srinivasan, Principal of Knowledge Institute of Technology, Salem who was my first supervisor.

My sincere thanks go to Dr.K.Thyagarajah, Principal and Dr. A. Kumaravel, Professor and head of Mechanical Engineering, K.S.Rangasamy College of Technology, Tiruchengode, for their moral support, encouragement and numerous useful discussions. I am grateful to Dr. S. Iniyan, Director, Institute of Energy Studies, Anna University, Guindy, Chennai and Dr. S. Suresh, Assistant Professor of Mechanical Engineering, National Institute of Technology, Trichy, the members of the Doctoral Committee, for their valuable suggestions throughout this research. Thanks are due to all the faculty and colleagues of Mechanical Engineering Department of K. S. Rangasamy College of Technology, Tiruchengode and Dr. R. Vijayan, Professor and Head of Mechanical Engineering, Government College of Engineering, Salem, Dr. P. Somasundaram, Professor and Head of the Mechanical Engineering Department, EBET Group of Institutions, Tirupur, Dr. P.S. Sambath, Professor of the Mechanical engineering, K.S.Rangasamy College of Technology, for the help rendered during this research. I wish to thank in particular Lion. Dr. K. S. Rangasamy MJF, the founder and correspondent of K.S.Rangasamy College of Technology, Tiruchengode, for providing the financial support.

I especially want to thank my wife N. Poonkulali, my sons CP. Avaneesh and CP. Joghith for their love, support and understanding. I want to extend my profound appreciation to my parents for their invaluable support during my life and studies.

CHANDRAPRABU V
