Chapter 4: Optical absorption and EPR spectra of fuchsite

4.1 Introduction
4.2 Experimental
4.3 Theory
4.4 Results and analysis
4.4.1 EPR studies
4.4.2 Optical absorption studies
4.5 Conclusion
4.6 References

Chapter 5: Optical absorption and EPR spectra of magnesite mineral

5.1 Introduction
5.2 Experimental
5.3 Theory
5.4 Results and analysis
5.4.1 EPR studies
5.4.2 Optical absorption studies
5.5 Conclusion
5.6 References

Chapter 6: Spectral studies of divalent copper in antlerite mineral

6.1 Introduction
6.2 Experimental
6.3 Theory
6.4 Results and analysis
6.4.1 EPR studies
6.4.2 Optical absorption studies
6.4.3 NIR studies
6.5 Conclusion
6.6 References
