ACKNOWLEDGEMENT

First and foremost, I thank our honorable chancellor **Thiru Dr. G. Viswanathan**, M.A; B.L of the VIT University for giving me an opportunity to do research in the field of Bioinformatics.

I would like to place my sincere thanks to Vice presidents **Shri. Sankar Viswanathan, Shri. Sekar Viswanathan, Shri. G.V. Selvam**, Vice-Chancellor **Prof. V. Raju**, Pro-Chancellor **Prof. S. Narayanan** and the management of Vellore Institute of Technology for their help and support.

I am indebted much to the **Dean Prof. C. Ramalingam** and **Former Dean Prof. Anil Kumar Gopinath** for their official help to my research work.

I acknowledge with gratitude, my friend, philosopher and guide, **Dr. George Priya Doss. C** for his valuable guidance and perpetual enthusiasm throughout my course of study. The thesis I am submitting is the fruit of his advice, suggestions and unstinted supports which has groomed me a scholar in this field.

I also thank my **External DC members** Prof. S. Balaji, CMC Vellore and Prof S. Selvaraj, Bharathidhasan University, Trichy and my **Internal member** Prof. S. Babu for their valuable suggestions and official encouragements to my research work.

I would like to thank **my parents** and **my wife** for their moral support during my doctoral program. Finally I would like to thank all my **colleagues** and esteemed members of the **VIT family** who have either directly or indirectly supported me for the successful completion of my thesis.

Above all I thank the GOD Almighty who has sustained me by providing good health, abundant strength, showers of wisdom and knowledge all through my years.
