ACKNOWLEDGEMENT

Research in Social Science has become a joint effort of man and machine, today. On the one hand, the proper guidance from experts, teachers, and co-operations from kind persons is essential, on the other hand, the computer has equally important role to help the scholars in analyzing the data for them.

I therefore, humbly acknowledge the guidance and help provided by Hon’ble supervisor Prof. Yogendra Singh, Dept of Sociology Ch. Charan Singh University Campus, Meerut. Who have not only added depth to my study but also directed my perseverance, which otherwise would remain scattered, by showing my how to put my finger in the right perspective. They have shaped my vision that only they could bring to me with their experience. I will always respect him and appreciate to significant impact him made my life. No words can invoke that heartful gratefulness envelop me when, I look over the entire research work.

In this regard, I am also thankful to Prof. J.K. Pundir, Dr. Alok Kumar and Mr. Y.P. Singh as without their inspiring and dynamic academic research oriented help, this work would not have been possible.
In this regard, a word of gratitude is due to Dr. S. Nishchal and Dr. Navratan for their time and willingness to contribute to my research work.

I am extremely grateful to Prof. S.S. Sharma for giving a definite shape to this thesis. I am deeply indebted to my elder brothers Dr. Ramesh Gautam, Dr. Devendra Gautam and Rajendra Kumar and Bhabijis for their valuable inspiration, for their time to time encouragement to finish this work I would like to thanks my seniors and friends Dr. Babit Kumar Bihan, Dr. Amit Kumar, Dr. Sonu Puri, Anuradha, Anil Kumar, T.P. Singh, Mithlesh & Ashwani, Vinit Malik, Ankur Rana, Pradeep etc. for their extreme co-operation, encouragement and suggestion during my research work.

I am also thanks to U.G.C. which provided me Rajiv Gandhi National Fellowship for my research works.

Lastly, I am also thanks to Saksham Computer Solution, Mangal Pandey Nagar, Meerut staff Members Arvind Gaur, Ajay Sharma & Narendra Verma for preparation to this research work.

MANOJ KUAMR
