Acknowledgement

I would like to express my deep sense of gratitude to my guide Dr. S K Patil, Librarian and Head of Department of Library and Information Science, University of Pune, a rare combination of extraordinary source of knowledge and patience, for his able guidance and supervision during the entire period of my research work and compilation of the thesis. His constructive suggestions and advice made it possible for me to carry out this research work efficiently.

I also thank to Mrs. Suhasini Patil, for the kind support provided during the completion of this work.

I am grateful to Dr. S. G. Mahajan, Former Librarian, Dr. Mrs. N J Deshpande Professor, DR. Kumbhar, Reader, and Dr. Bansode, Reader, Department of Library and Information Science, University of Pune for offering valuable guidelines and suggestions in the research work and constant encouragement to complete the same.

I thank Dr. (Capt.) Chitale, Dean, Faculty of Management, University of Pune, Dr. Sangvikar, Head, PUMBA, University of Pune and Dr. P. C Shejwalkar, Former Dean, Faculty of Management University of Pune and Director, IME and the esteemed directors of the Management Institutes recognized by University of Pune who have given resourceful and frank opinions in the interviews by taking out the time from their busy work schedule.

My heartfelt thanks are offered to Maharashtra Education Society and Dr. V. H. Inamdar, Director, IMCC for his constant support and encouragement by showing keen interest in this study and also for allowing me for collecting the data for the survey at the Institute. I would like to offer my special thanks to Mr. Santosh Deshpande, Head of Department of Computer Science,IMCC for his valuable suggestions in the Statistical Analysis of the data. Sincere thanks are offered to the staff members of IMCC Library for their excellent support, all the teaching and non teaching staff of IMCC for their cooperation throughout this venture.

I also thank professional colleagues for their inputs during the Pilot study of this research work.
The support and co-operation given by the library professionals in Management Institutes recognized by University of Pune was exemplary for providing the relevant data input on their library resources and services. I thank all the fellow librarians for their participation in this study.

The study has received valuable responses from the users of Management Institutes recognized by University of Pune. I thank the faculty members and students for giving the filled questionnaire in due course of time. My thanks are due to those faculty members and the authorities of the institutes for their extended co-operation in contacting the library users for data collection.

I cannot find words to express my sincere thanks to the Librarians of IIM’ s-(Indian Institute Of Management) IIM Ahmadabad, IIM Bangalore, IIM Kozhikode in India, their Library staff, students and faculty members who participated in this study. I would like to offer my special thanks to Dr. Roshan Raina, professor, IIML and Former Librarian IIML for guiding the work at the nascent stage and Dr. Sreekumar, Librarian IIMK for giving his suggestions in the preparation of questionnaire and also for the support given at the national level as and when required in the success of this work.

It is not possible to express my feelings in words for the support put forth by my husband- Kedar, in spite of his executive level responsibilities at work. I dare to dream this herculean work due to the whole hearted support provided by all the members of my family.

Mrs. Meenal Kedar Oak
