ACKNOWLEDGEMENTS

I deem it a matter of great privilege to express my deep sense of gratitude to Prof. G. P. Mishra, Head, Department of Botany, University of Sagar, Sagar, under whose valuable guidance and supervision the present work was planned and completed. I take immense pleasure in regarding my thanks to Prof. S. B. Saksena, F.N.A., former Professor and Head of the Department of Botany, University of Sagar, Sagar, for constant encouragement and facilities.

I take immense pleasure in regarding my thanks to Prof. L. P. Mall, Visiting Professor, Department of Botany, University of Saugar, and Dr. P. S. Dubey, Reader, School of Studies in Botany, Vikram University, Ujjain and Dr. R. N. Dakwale, Reader, Department of Environmental Biology, A.P.S. University, Rewa, for their guidance and valuable suggestions during these studies.

I take pleasure in regarding my thanks to Mr. A. S. Mishra, Asstt. Professor of Botany, University of Sagar, Sagar, Mr. S. K. Chile and Mr. J. P. Sapatnekar, for their help in photography.
I am also very much thankful to Mr. and Mrs. D. K. Jain, P. K. Khare, C. D. Athaya and A. K. Yadav, for valuable discussions and ever helping attitude.

I take this opportunity to thank my valuable friends, Miss Tara Pathak, Neeraj Saxena, Mrs. Kamlesh Tyagi, Dr. S. M. Kazmi, and other colleagues and all others who directly or indirectly helped me during the period of this work.

Thanks are due to University Grants Commission, New Delhi, for the financial assistance during these investigations.
