ACKNOWLEDGEMENT

I am indebted to my friends, colleagues, and students for their help, support, and teamwork over the past five years. Everyone at the SRIMCA has been ready to provide valuable help and feedback, often at a moment’s notice. Above all, my PhD Research Guide Dr. Bankim Patel’s knowledge, leadership vision and managerial leaning skills combined to make conviction and support helped to make Intelligent Tutoring System as Intelligent e-Learning a success at Maliba Campus, Gopal Vidyanagar.

Special mention and thanks go to the members, past and present, of the HKDA System project team, for their wisdom and understanding and to various departments of Bardoli Pradesh Kelavani Mandal for long fruitful discussions and papers we have co-authored.

I thank the three master students, Affan, Chirag and Hiren. For those of you that I did not mention, you are NOT forgotten.

It would not have been possible for me to carry out this work without unstinting support and encouragement in all my professional endeavors extended by my mom Laxmipriya and dad Gayadhar. Special thanks goes to my brothers Nagen and Gagan that has helped in me lot which are not expressible.

Last, but not least, I would like to thank my wife Ankita, my son Kartik, Achintya, Ganu, Akash & Ashish, and daughter Anushree for their love and patience while I was travelling and working long weekends. It is now over and a new epoch of our lives will begin.
